### BUY A MIRROR AND "CAN" ONE UMPIRE

Some may claim that the following baseball yarn should be sent on to President Ed Barrow as a suggestion that he buy Kitty Bransfield a looking-glass and "can" Huyler Westervelt for the present series between the Leafs and Rebels: "The most curious decision I ever saw given by an umpire was when I was managing the Dubuque Club, many years ago," said Clarence Rowland, leader of the White Sox.

"We were playing in one of the Three-I. League cities, and "Wild Bill" Setley was umpiring.

I. League cities, and 'Wild Bill' Setley was umpiring.

"We only had one umpire for a game in that organization then, and the official had to keep his eyes open or miss a play now and then.

"We got a man to first before anybody was out. The next batter hit a short single to right. The fellow on first tore for second, and, rounding it, bore down to third. 'Wild Bill' Setley was right at his heels, running along with him the way Ollie Chill does in the American League.

way Ollie Chill does in the American League.

"The play was close at third and Setley called our runner out. This was perfectly right, altho the play was a bit close. Setley had his back to first when the ball was whipped back there, and he didn't see the runner tagged as he slid back for the base.

"I was coaching at third, and was amazed when Setley called, 'You're out,' and pointed at our fellow on first.

"I was rather peeved, of course. 'How do you know he was out," I demanded, running up to him, 'You had your back turned.'

"Imagine my astonishment when Setley." 2. Monocaey, 119 (McAtee), \$4.50, \$3.60.

3. Fenrock, 110 (Parrington), \$3.40.

Time 1.55 1-5. Birka, Lady Spirituelle, Patty Regan also ran.

the total is only about \$,000000.

The way towns have had to resort to eating dogs and horses, especially since the discovery was made that neither Bulgaria nor Turkey has any further food to spare. A favorito dish in some restaurants is horse steak with bean gravy. Dog pie is principally served to farm servants in principally served to farm servants. The shooting of young rooks has been forbidden, probably because of the scarcity of insectivorous birds, and the fears of the farmers of damages from grubs.

A GERMAN SCAPEGOAT.

Herr Clemens Delbrueck, who a few weeks ago was extolled in the reichstag for his masterly organization of the food supplies of Germany, has been invited to resign from his position. The official reason ascribed for the stop is the state of his health. As he is one of the most robust ministers of state, the real cause is naturally held to be that a scapegoat has been found in Herr Delbrueck in order to appease, for the time being, the rising indignation of the people at the scarcity and dearness of food thruout the country.
