TIGER BATTALION WILL NOT MERGE

Officers Assured It Will Go Overseas as a Complete Unit.

R. J. BRADY APPOINTED Will Be United States Vice-Consul in Hamilton.

HAMILTON, Friday, July 14.—Following the announcement that many of the local battalions would be merged for the purpose of bringing them up to their respective strengths, it was stated here yesterday that such was not the case, and that the 205th Sportsmen's Battalion would be permitted to go overseas as a distinct unit.

The Tigers are now well over the six hundred mark, and there is not the least doubt but that in the course of another month the unit will not be far from the 1000 mark.

Members of the Recruiting League waited upon the board of control yesterday for the purpose of finding out exactly what the insurance committee had accomplished in the way of insuring the soldiers who left this city.

The deputation asked if all the soldiers were insured, if there were two kinds of insurance and who were the beneficiaries.

Members of the Recruiting League waited upon the board of control yesterday for the purpose of finding out exactly what the insurance committee had accomplished in the way of insuring the soldiers who left this city.

CANTEEN OFFICERS MUST NOT ACCEPT A BONUS

Official Order States All Profits Must Be Used for Benefit of Men Only.

AT CAMP BORDEN If Necessary, Special Trains Will Run for Soldiers on Week-End Pass.

By a Staff Reporter. CAMP BORDEN, July 13.—Attention has been drawn to the fact that officers and N.C.O.'s in charge of canteens are in the habit of buying goods at a gross price and receiving a bonus or gifts of watches, etc., from the manufacturers.

This practice must cease, states an official order issued today. Goods must be bought at the lowest possible price and all profit therefrom is to be used only for the benefit of the men.

That the practice referred to is only to be found in a few battalions cannot seem to be indicated by the fact that a great many of the canteens are directed by a canteen committee, consisting of either the senior or junior major of a unit, one captain and one subaltern, which committee checks closely all financial transactions.

Weather conditions here today were greatly improved over yesterday, it being at least ten degrees cooler. There was also a fairly strong breeze.

All brigadiers and commanding officers in camp attended a three-hour conference today. The training to be given troops was outlined by Lt.-Col. H. C. Blackford, Lt.-Col. W. R. Lang, Major Vincent Massey, Captain A. C. Corvax and Captain Knowles of Ottawa, an expert on physical training and bayonet fighting. Col. S. C. McEburn, A.C.O., states that Angus has not been placed in charge of troops, as soldiers may go within a radius of three miles of brigade headquarters.

New hospital cases today totalled 48. Patients in hospital 150. Twenty patients were discharged as fit for duty.

Staff officers have arranged with railway companies that special trains will be run for soldiers going on pass for the week-end from camp on Saturday afternoons. Officers will collect ticket money from the soldiers given leave before noon Fridays, and then purchase the tickets required in bulk.

Men with properly-signed passes may procure tickets at single fare. The passes must also be paid for. It is run from Toronto, Hamilton and London, and accommodation of men returning Monday mornings.

Pole Climber Wanted. Officers commanding battalions who have any light pole climbers or electricians in their units have been asked to have them report to Lt.-Col. Cooper. The officer in charge of construction work at the camp is pointed out that these men will only work during the ordinary drill hours.

The appointment of Lieut.-Col. T. B. Richards as a commandant of the Base Hospital at Toronto has been officially approved.

Lieut. Hugh L. Wilson of the Q.O.R. has been appointed Officer in Charge of the 170th Mississauga Battalion.

Quartermaster Hon. Capt. George J. Hawkins has been transferred from the 218th to the 28th Battalion.
