Berlin People Call On Kaiser To Abdicate

Rousing Demand For Republic.

In Front of Reichstag Socialist Leader Openly Says Time of People Has Come—London Applauds Wilson's Reply To Maximilian—Allies Not Leaving the Brunt on U. S. President

Paris, Oct. 25.—An enormous crowd assembled before the Reichstag building in Berlin yesterday calling for the abdication of Emperor William and the formation of a republic, according to a special despatch from Zurich to L'Information.

Dr. Karl Liebknecht, Socialist leader, who had just been released from prison, was applauded frantically. He was compelled to enter a carriage filled with flowers from which he made a speech, declaring that the time of the people had arrived.

Reichstag Supports Chancellor. Copenhagen, Oct. 25.—The German Reichstag has given Prince Maximalia, the imperial chancellor, a vote of confidence, the ballot standing 189 to 89, according to Berlin despatches received here. Twenty-three of the members did not vote.

Wilson's Views. London, Oct. 25.—(Canadian Press despatch from Reuter's Limited)—Speaking at Oxford yesterday Sir Edward Carson drew attention to Germany's insistent demands when she thought she was top dog. These included the surrender of Walla, Gibraltar, and the Suez Canal, etc. He heartily concurred in President Wilson's note and said: "Today our armistice terms must be the equivalent of Germany's terms in 1870 when replying to a request for an armistice on the part of France. It was then agreed and provision made that all territory around Paris so that the city should be taken at pleasure. Anything less than similar terms for Germany now would involve disaster."

The London Papers. London, Oct. 25.—Commenting upon President Wilson's note to Germany, the Daily News says: "The imperial chancellor's note left matters in suspense, but the president's takes them where they should be. The sincerity of the German people's demand for peace is today brought to the final test. If the Germans accept the president's terms there is no reason why fighting should not end in less than a week. Mr. Wilson, beyond question, speaks for every allied nation. The grand visier's speech was made on the occasion of the presentation of the new ministry to the chamber. He said the government would grant without delay to all elements not only political rights without distinction as to nationality or religion but the right to participate in the administration of the country."

Dutch Prepare To Resume Sailings To England and States. London, Oct. 25.—Dutch newspapers say that shipping concerns in Holland are taking steps preparatory to resuming regular trips to England and the United States as a consequence of the withdrawal of the U-boat menace, according to an Amsterdam despatch to the Exchange Telegraph Company. SAYS CZARINA GAVE INFORMATION THAT COST LIFE OF KITCHENER

Salvation Army Commissioner Brings This Word From Russia—Says Keresky Succumbed To German Pressure

New York, Oct. 25.—Information which made it possible for German submarines to sink the vessel on which Lord Kitchener was lost was furnished the German government by the former Czarina of Russia, according to an assertion made here last night by Henry W. Mapp, Salvation Army commissioner, who has just returned from Russia. Mr. Mapp declared he learned in Russia that the Czarina maintained a private wire in her apartments at the Winter Palace at Petrograd, over which she transmitted to the German government all information in regard to the military plans of the Allies which was received by Russia as an ally. "When Keresky first came into control of the revolutionary government, he had the interest of Russia at heart," Mr. Mapp said, "but he soon succumbed to German pressure."

Election Appeal By Wilson For Return of Democrats

Washington, Oct. 25.—President Wilson today issued an appeal to the people to vote in the November elections if they approve of his course in this critical period. Return of a Republican majority to either house of congress, the president said, would be the certain interpretation of the water as a repudiation of his leadership.

The president said he would accept the country's verdict without cavil, but that if it was adverse, the power to administer the great trust assigned to him would be seriously impaired.

Following is the president's appeal: "My fellow countrymen: The congressional elections are at hand. They occur in the most critical period of our history. It is your duty to face in our time. If you have approved of my leadership and wish to continue it, please vote for me."

In the Place River the Italians have captured the islands of Grave Pattadapoli and Maggiore. The weather on the front is unfavorable.

On the remainder of the battlefield our advanced troops pushed forward at different points.

With the Allied Armies in France and Belgium, Oct. 25.—(4:30 a.m. by the Associated Press)—Fighting which compares in fierceness to almost any in the war continued through the night on the field of the great battle north and south of Valenciennes. Related reports indicate that the British have entered the German defences, gaining considerable ground and pressing eastward slowly but surely.

FRENCH WIN NEAR RETHEL. Paris, Oct. 25.—On the Aisne front east of Rethel French troops have captured the villages of Ambly and Fleury, taking 100 prisoners.

BIG AMERICAN GUNS AT IT. With the American Army in France, Oct. 24.—(By the Associated Press)—American sixteen-inch guns, manned by American blue-jackets co-operating with the French, began firing upon German railroad centres back of the Serre-Oise front on Wednesday. Paris, Oct. 25.—(Havas Agency)—The fighting along the American front on both sides of the Meuse is particularly fierce. BUY-VICTORY BONDS. DEATH THE MOST MERCIFUL PART OF RED TERROR.

BUY-VICTORY BONDS. Stockholm, Oct. 25.—(By the Associated Press)—Executions are the most merciful part of the red terror practiced in Moscow and Petrograd, according to several neutral observers who have just arrived in Sweden.

BUY-VICTORY BONDS. While thousands of victims have been executed, the list of victims is far less appalling than the ruthless manner in which political prisoners have been sent to death without a semblance of legal trial, the heartlessness with which they were treated and the utter indifference of the Bolshevik officials to the appeal of heartbroken relatives who have been kept in suspense and not allowed to learn what has become of loved ones.

BUY-VICTORY BONDS. Copenhagen, Oct. 24.—(By the Associated Press)—On the heels of the German evacuation of the Lithuanian districts east of the Brest-Litovsk demarcation line, detachments of the Red army of the Russian Bolsheviks followed and are extending the red terror among the defenceless inhabitants.

BUY-VICTORY BONDS. Two delegates from the Lithuanian people are now in Copenhagen appealing to the American, British and French missions here for help. Describing the situation to the correspondent today one of the delegates said the Germans had decided to evacuate the territory named in the Brest-Litovsk treaty, including the districts of Derna and Minsk and a portion of Mordva. The inhabitants of these districts, he said, were unarmed and unorganized and had no means for preventing murder or pillage. The people asked that the evacuated territory be occupied by British American or French troops.
