BASEBALL

Philadelphia, April 16—Manager Connie Mack of the Philadelphia Athletics announced tonight that he had released Catcher Ben Egan to the Baltimore International League Club.

Diamond Sparkles

The Providence Club has another catcher, Laligo, from the Phillies, and there is some idea that this may release Fitzgerald for Frederickton. In a game against Providence on Monday General of last year's Marathon, played first base for Portland. He accepted all fifteen chances but did not make a hit.

Kansas City, April 16—Felix Kling, baseball catcher, said yesterday that he probably would join the Cincinnati National League Club some time next month.

He said he intended to begin at once to practice three hours a day and that in two weeks he expected to be in good condition. He added that his business affairs now are in such shape that he can leave here until next fall.

Kling recently denied a report that he had signed a contract to play with the Cincinnati team, and at that time said he would not play ball this year.

BILLY NOLAN OFFERS TO FORFEIT \$5,000 IF HE FAILS TO PUT PACKEY McFarland in SHAPE AT 133 POUNDS

By TOM ANDREWS

"Give me eight weeks' time and let McFarland follow my instructions as to training and I will put him in the ring at 133 pounds at 3 o'clock on 133 ringside and have him strong and fast, or forfeit \$5,000," remarked Billy Nolan, manager of Willie Ritchie, champion light-weight, while discussing the weight question with the writer recently.

"I do not mean that I will use sweating methods or such as that to get McFarland in condition and down to weight," continued Billy, "but that I will give him a thorough course of training and work him down gradually, so that he will retain all his strength and at the same time be as fast if not faster than ever. McFarland is a boy who carries considerable weight if he does not keep in shape and he is also tall for a light-weight, but by proper training he can make the weight easily. The trouble is few of the boxers nowadays train properly. They seem to be imbued with the idea that once they are fighting the stars all they have to do is go along and box a little and if they get a big fight, why two weeks' work is supposed to be sufficient.

"That is where they all make a mistake. A boxer should train as hard for what he considers a soft match as a tough one, and if he happens to be out of shape and the other fellow is tough and willing to take a change, he is liable to make things decidedly interesting for Mr. Star. "As to McFarland, there has been much talk about making weight for Ritchie. Now Willie is champion, and a legitimate, light-weight, as he made the 133 ringside for Wolgat without bother. They tell me McFarland can't do better than 135 at 3 o'clock and then he must work overtime. Well, my offer stands about forfeiting \$5,000 if I fail to put him in proper shape in eight weeks' time and bring him to 133 ringside or 135 at 3 o'clock. Of course, I would not train him in a city, but would take him to my ranch near San Francisco and put him through a regular course and have his stamina better than ever and his general make-up improved. He would have to follow my advice explicitly as to the training methods, and while it would not be terribly hard work it would not be child's play, such as mine fighters look for in the gymnasium. This is not intended as a slight on the training methods of Packey's manager, Mr. Thiry, but simply to show the faith I have in my own ideas on training."

Logan. Slocum's average of 91.15 for five strings was particularly good. Norris sold \$73.3.

THE TURF

A Son of Bingen. Glenzer—Frederickson has a son of the noted dead sire of champions, Bingen (2:08 1/2), in Colombo, the handsome black stallion which has been here for the past couple of years and is now in the stables of E. J. Morgan, one of the new directors of the Frederickton Park Association. Bingen, sire of Ullman, 1:58 1/2, the world's champion trotter, died at the Castleton Stock Farm, Lexington, on Sunday, and was owned by David M. Look, and at one time in his career was sold for \$50,000. Bingen was awarded the popular Scotia government's stallion Achille, 2:15 1/2, and grand sire of Baring, 2:18 1/4, formerly owned in Halifax.

WRESTLING

Women Wrestlers Here. An interesting wrestling bout is scheduled for next Thursday night by Cora Livingstone, world's champion lady wrestler, will meet one of her sex here. Raymond Casaux took two falls out of three from Moran Vincent in Montreal last night.

CRICKET

RING

McCarthy Bests Flynn. Philadelphia, April 16—Luther McCarthy, claimant of the white heavyweight boxing championship, was awarded the popular decision by a wide margin at the end of a fast six-round bout with Jim Flynn, of Colorado, at the Olympia Athletic Club here tonight. The four bouts which preceded the wind-up furnished plenty of excitement to the crowd, which filled the clubhouse. All were closely contested except the first, in which "Young" Al Kaufman, McCarthy's sparring partner, knocked out Al Benedict, of New York, with a right swing to the jaw in the second round, and the fourth,

knockdown with a left swing to the jaw, and in the ninth Howell sent Ferns sprawling with a similar blow.

Gave Moran a Battle.

Frank Moran, of Pittsburgh, who is to be Luther McCarthy's next opponent, was given a hard fight by "Sailor" White, of New York, last night, but seemed to have the popular verdict at the close of the six rounds.

ATHLETIC

Broke Record, But Will Not Claim It.

Paterson, N. J., April 17—Winning in the second heat of the sixty yards sprint at the Erie athletic carnival last night, Howard R. Drew, of the Springfield, Mass. Training School, the national champion short distance runner, had lowered the world's record of 8 2/5 seconds by 1/5 of a second. There was some doubt as to the accuracy of the watches, and no claim will be made for a new record. Hannes Kolehmainen, Olympic distance champion, was defeated by Sidney Leslie, of the Long Island A. C. in the two mile race. Leslie, who had a handicap of fifteen yards over the Finn, who started at scratch, won by five yards.
