

will bring to the management of the *Wesleyan* rich and varied stores of learning and such qualities of mind and heart, as will impress themselves upon the weekly issues of the paper, and make it not only a welcome visitor, but also a power for good in our homes.

#### THE AGENT OF THE RAILWAY.

The Conference desire to convey to Thos. Noble, Esq., its hearty thanks for his kindness and consideration in issuing return tickets at excursion rates, not only to the lay-delegates elected to attend this Conference but also to all those friends who desired to be present at any of the sessions thereof, and would express the hope that this action has not been without encouraging and satisfactory results.

The Secretary is instructed to convey a copy of this in written form.

#### REV. DR. MILLIGAN.

*Resolved*, That the very best thanks of this Conference be presented to the Rev. G. S. Milligan, LL.D., for his most efficient services as Superintendent of Methodist Schools, and pray that God may long spare his valuable life for many years to serve the church and the cause of education in this land; and that this Conference acknowledges with gratitude his very valuable service in connection with the Clerical Relief Committee during the past year.

#### HALIFAX BOOK ROOM.

The Conference desire to convey to Rev. S. F. Huestis, our Book Steward at Halifax, our high appreciation of his services during the past year, and of his indefatigable endeavor to make the Book Room a self-sustaining and remunerative institution.

Especially does it approve of his policy in establishing connections with Book Stores in St. John's thereby meeting very directly, so far as our own publications are concerned, the needs of our ministers and people.

#### WESLEYAN.

The Conference cannot allow the Rev. Dr. Lathern to retire from the Editorship of the *Wesleyan* without placing upon record its sense of the faithful and able manner in which he has discharged his important duties during the period of his administration, and assuring him that he will be followed into his new relations with the sympathies and prayers of his Brethren of this Conference.

The Conference ventures the hope that under the new management the *Wesleyan* will sustain its present high reputation as a newspaper and family journal.
