Fresh ground GRAHAM FLOUR,
at CAMPBELLS.

AN EMINENT PHYSICIAN, OF LARGE EXPERIENCE, who has made Pulmonary Consumption a specialty, says that "although in the worst and most rapid form of the disease, we have still to confess the medicine is almost powerless, yet in these less overwhelming and in those in- chronic which happily constitute the far greater number of cases, we have been able to adduce many proofs that much may be done to mitigate, to prevent, to retard, to cure, and even to arrest and cure, this most destructive of human mal-adies. His experience at fifty years leads him to assert that the "great remedy, more essential and more effectual than any other is Cod Liver Oil." But, who CAN TAKE IT? Robinson's Phosphorized Emulsion of Cod Liver Oil, with Lacto-phosphate of Lime, contains all the virtues of Cod Liver Oil in a form and combination most desirable to obtain its fullest effects. ANY BODY CAN TAKE IT. Prepared only by J. H. Robinson, St. John, N. B., and for sale by druggists generally. Price \$1.00 per bottle six bottles for \$5.

THE GREAT CAUSE OF HUMAN MISERY.

We have recently published a new edition of Dr. CULVERWELL'S CELEBRATED ESSAY of the radical and permanent cure (without medicine) of Nervous Debility, Mental and Physical Incapacity, Impediments to Marriage, etc. resulting from EXHAUSTION.

Price, in a sealed envelope, only 6 cents, or two postage stamps. The celebrated author in this admirable Essay clearly demonstrates, from thirty years successful practice, that alarming consequences may be radically cured, without the dangerous use of internal medicine, or the application of the knife, pointing out a mode of cure at once simple, certain and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately and radically.

This Lecture should be in the hands of every young man and in the land.

Parks' Cotton Yarns!

Awarded the Only Medal Given at the Centennial Exhibition For Cotton Yarns of Qualitative Manufacture.

No. 5's to 10's. WHITE, BLUE, RED, ORANGE and GREEN. Made of Good American Cotton with great care. Correctly numbered and Warranted Full Length and Weight.

WE would ask the purchasers of Cotton Yarn to remember that our Yarn is spun on Thurston Frames, which make a stronger yarn than the Ring Frames, used in making American yarn.

It is also better twisted and more carefully reeled; each hank being tied up in 7 leas of 120 yards each. This makes it much more easy to wind than when it is put up without leas—the American is—and also saves a great deal of waste.

Those acquainted with weaving will understand the great advantage it is to them to use yarn put up in this manner.

COTTON CARPET WARP,

Made of No. 10 Yarn, 4-Ply Twisted. WHITE, RED, BROWN, SLATE, &c. All fast colors.

Each 5 lb bundle contains 10,000 yards in length and will make a length of carpet in proportion to the number of ends in width. We have put more twist into this warp than it formerly had, and it will now make a more durable Carpet than can be made with any other material. Since its introduction by us, a few years ago, it has come into very general use throughout the country.

All our goods have our name and address upon them. None others are genuine.
