The Colonial Empire, A Political and Commercial WEEKLY, SEMI-WEEKLY, and TET-WEEKLY NEWSPA-FER—to be published in the Give of Saint John, N. B., commenc-

ing January 1st, 1861. MONG the leading objects of advocacy con-templated by this Journal are— Union of the Colonies—involving Inter-Colonial

Agricultural, Mechanical, and Manufacturing Development of our Mines, Minerals, and Fisheries. Progress.

This Journal will be INDEPENDENT in the expression of its opinions, on Political as well as on all other questions; and while advocating enlarged and comprehensive views of Public measures will ignore all Sectional, Sectarian, and Political,

will ignore all Sectional, Sectarian, and Potential partizanship.

Battish North America is possessed of; vast resourcer, and has Geographical and Physical advantages which are unparalleled, and Political and Social immunities of which no other country can be at. Our own Province is in all these respects highly favored, and we need but a vigorous and englightened public policy to effect a most progressive development. To continue in a course of narrow selfish partizanship, with no higher aim than the netty aggregalizement or pecuniary gain than the petry aggrardizement or pecuniary gair of engaineighed politicians, must soon make ship wreck of all our best interests, if indeed it be pos-sible to escape from the impending bankruptey and ruin which already stare us in the face. Bu otism enough in our Country to save it; and while it will be our vosation to sound the toesin, and arouset the people to a issue of the dangers to which we have referred, we will also afford a rallying point for the good and wise of all parties and seconds. we believe there is wisdom, courage, virtue-patr creeds, who desire the overthrow of a system of corruption and extravagance, and the establish-ment of sound Liberal and Progressive Politica-

and Commercial principles.

With full faith in these convictions and sentinents—and believing that the heart of the country will respond to then—we run up our flag and nail it to the most head, writing upon its ample olds our motto-

"Union, Reform, Progress." ODE WELELY is intended to be a First Class Commercial Paper. It will contain not only the latest Shipping and Market Reports from all parts of our own and Sister Provinces, but also what relates to ourselves at British and Foreign Ports. Our, own Markets and Commercial transactions eive the most full and careful attention

THE TRI-WEELLY will be devoted more par-ticularly to City matters and to general news.

The SEMI-WEELLY will be made up expressly The Seat-Weeker will be made up expressly
for country circulation, and will contain everything
that may be of interest or importance to our
readers; and we trust this effort to supply our
finends with the latest intelligence which our mail
arrangament; can convey to them, will be duly appreciated.
