In the 1961-1962 school year the students of Regina College started a Psychology Club. The purpose of the club was to create an interest in psychology and provide stimulation for thought.

To help in this, we invited many guest speakers. We had Mr. Stan Rands from Psychiatric Services, Mr. Loyd Coates, City Psychologist for schools, Mr. Art McKay from the School of Art, Mr. Jake Calder from the Bureau of Alcoholism, Mr. Don Petit from Regina Jail and a

host of others.

To this we should also add that we took a field trip to the Mental Hospital at Weyburn and had a display on University Night.

Through the Psychology Club we were able to set up a lounge for meetings and general relaxation. We sincerely hope that you found the Psychology Club a valuable extension to the university program.
