FREDERICTON VICTORS OVER MARYSVILLE 4-2

First Game at Capital Last Night Brought Out Good Hockey -- Many Penalties Awarded--Under Protest

Special to The Standard. Fredericton Jan. 10.—In the opening game of the New Brunswick Hockey League here tonight, before 500 spectators, Fredericton won from Marysville by a score of 4 to 2.

For the first game of the season it was a fair variety of hockey, although marred in the second half by frequent tripping, slashing and mixups of one kind or another in which Marysville players were the worst offenders, and had one or two men off the ice mostly all of the second half.

On one occasion Dennison and Rowan clashed and Dennison struck Rowan in the face with his fist.

Sandy Staples was referee, and although he handed out penalties freely quite a lot of questionable work got by.

When Fredericton's regular goal tender did not show up Geo. Clynick was pressed into service and the feature of the game was his work in the nets and also that of Fullerton. The Marysville team were off in shooting.

The game was played under protest by the Fredericton team, Marysville producing telegraphic authority from Secretary McMillan of the M. P. A. A. to play suspended players until the status of players was definitely decided.

The teams lined up as follows: Fredericton, Goal, Marysville, Clynick, Fullerton, Sterling, Hovey, Babbitt, F. Wade, Feeney, R. Robertson, McLean, F. Robinson, Rowan, Dennison.

Duncan, B. Wade, Brogan replaced B. Wade at close of the first half, when the latter was injured.

The scoring was done as follows: First Half, 1. Marysville, Robertson 13 minutes, 2. Fredericton, Duncan, 3 minutes, 3. Fredericton, Feeney, 2 minutes, 4. Fredericton, Babbitt, 1 minute.

Second Half, 5. Fredericton, Feeney, 16 minutes, 6. Marysville, Hovey, 18 minutes.

FOUR CHANGES IN LINEUP FOR TONIGHT

The second local match in the N. B. Hockey League series will be played in the Queens rink this evening, by St. John and Sussex. The teams will be:

St. John, Goal, St. John, Coeign, Pierce, Fenwick, Tully, Eveleigh, McAvity, White, Mooney, Mace, Philips, LeClair, Gilbert, Anderson, Macaulay.

The Skinner will be referee. The question of the amateur standing of the Sussex team was decided yesterday, when in response to a query from the manager of the Sussex hockey team, in reference to the alleged suspension of that team, L. B. McMillan, secretary of the M. P. A. A. has wired as follows:

"Sussex hockey team has not been suspended."

ST. JOHN BOAT CLUB IN ANNUAL SESSION

Address and Fine Travelling Bag Presented Commodore Gerow--30 Boats Will Cruise to Passamaquoddy in July--Reports Tell of Successful Year--Election of Officers.

The first annual meeting of the St. John Power Boat Club was held at the club house, Cedar street, last evening.

Commodore S. P. Gerow was in the chair and a very large number of members were present—the large meeting hall being filled.

The reports of the executive committee were presented and gave a detailed account of the rapid growth of the club from its organization last April. The financial statement submitted showed the club to be in a most prosperous condition.

Just before the election of officers for the ensuing year the Commodore, S. P. Gerow, was presented with a magnificently illuminated address and handsome yacht travelling bag bearing the following inscription:

Presented to COMMODORE S. P. GEROW, by the Members of St. John Power Boat Club, 1911.

To Commodore S. P. Gerow: At this our first annual meeting, we the members of the St. John Power Boat Club, feel that we cannot enter on another year without showing our appreciation for the able manner in which you, our commodore, have led us on to success.

We feel, sir, that it is through you alone that we have accomplished so much in such a short time. We think that we can safely say that never has there been such success attained by any club in this city as that of the St. John Power Boat Club. And to you, sir, we give the credit, and would ask you to accept this token of our appreciation and the year will be spared to be our commodore, for we all know with you

as our leader we can have nothing but success. Herb Roberts, C. J. Machum, Committee, F. L. Corey, A. J. Estabrooks, Wm. Scott.

The address was read by Mr. Corey and the presentation made by Mr. Scott.

The recipient although taken by surprise made an appropriate reply. The following officers were elected for 1911—S. P. Gerow, Commodore; A. P. McIntyre, Vice-Com.; E. N. Jordan, Rear Com.; P. L. Jordan, Sec.; F. Miller, Ass't. Sec.; Hermon Sullivan, Treas.

Executive Com.—Geo. E. Day, W. H. Dunham, Fen Tapley, Fred Roberts, J. Russell, Jr. Sailing and Racing Com.—Herbert Roberts, C. N. Huggard, F. L. Corey, Wm. Scott, F. P. Burpee, J. C. Chesley, Alex. Noddin.

Messengers—A. J. Machum, W. J. S. Myles. The commodore appointed Fred Roberts his fleet captain for the ensuing year.

The club decided to have the first annual cruise to St. Andrews and Passamaquoddy Bay in July, beginning on Saturday the 15th at 9 a. m. It is expected 30 boats will go.

Several changes were made in the by-laws and amendments were made. Votes of thanks were tendered the vice-commodore for use of his marine railway and also to David Magee for use of his car.

It was decided possible to have an ambulance class in the club this winter.

The next smoker will be held on Wednesday, January 18th, and will be in the form of an open house with a good olio to be followed by a supper.

TWEEDMOUTH TO PLAY POLO

Son of Former Lord of Admiralty Expects to Enjoy Himself in California—Favors Veto Bill

New York, N. Y., Jan. 9.—Lord Tweedmouth, M. V. O., D. S. O., third Baron Tweedmouth, with Lady Tweedmouth, arrived yesterday on board the Megantic, of the White Star Steamship Line, from Liverpool. He will stay here two months, journeying in the meantime to California, where he expects to play polo at Coronado Beach, Ohio.

Lord Tweedmouth was one of our most democratic passengers on board according to his fellow voyagers.

Lord Tweedmouth is the son of the late Lord Tweedmouth, who for many years was First Lord of the Admiralty under the Campbell-Bannerman administration. Through personal correspondence between himself and Emperor William of Germany, which was made public, the emperor was placed in a bad light before his own people. It was some time before the entire matter was straightened out to the satisfaction of high officials of both countries.

In England it was stated that the matter was private and the correspondence should not have become known to the public. In Germany the emperor promised that he would never again depart from the tradition that such matters should be discussed only through the country's official accredited diplomat.

As Captain Dudley Churchill Marlborough of the Royal Horse Guards, Lord Tweedmouth succeeded to the title on the death of his father on September 15, 1909. He served with the Household Cavalry in South Africa during the Boer war, and received the Distinguished Service Order decoration for carrying messages through the Boer lines. Lord Tweedmouth is one of the few peers who believe in the passage of the bill curtailing the veto power of the House of Lords. Because of this he did not add to his political popularity among those of his own class.

While his father was well known in this country as a visitor to Florida, where he was an enthusiastic follower of the sport of tarpon fishing, Lord Tweedmouth said yesterday that he did not expect to go north at all nor engage in either fishing or shooting while here.

Freddie Welsh has backed away from meeting Paddy McFarland at his club in London, Feb. 9. It is likely that Abe Attell and McFarland will be the card at the club on that date.

TRURO BEATEN BY WANDERERS

Halifax Makes Score 11-4 in N.S. Amateur League Game --McMillan Put Up Good Argument on Goal

Special to The Standard. Halifax, Jan. 10.—The Wanderers trimmed Truro to the tune of 11 to 4 in the fourth Nova Scotia amateur league game tonight. The game was keenly contested throughout.

Play in the first half was about even and was fairly fast at times. Five minutes after the face-off, Wiswell drew first blood, scoring for the Wanderers. Five minutes later, Reardon made an end-to-end rush and made it number two for the Halifaxians. Shortly after this MacPherson scored another for the Wanderers.

Truro fought hard and Chipman scored their first goal. Wiswell landed another one for the Wanderers immediately thereafter and was soon followed by Bauld. Truro took a hand in the game and Chipman notched their second goal. The half ended Wanderers 7, Truro 2.

Second Half. From the face-off in the second half the play was rushed to Truro's end. When the half was two minutes old, Talbot scored for Truro. From the face-off Gorham made a pretty rush, carrying the puck to the Truro goal, where Bauld slammed it behind McMillan. Play was rushed to the Wanderers end, where Talbot fooled Hill-ton again. After this, the game was all Wanderers who scored three times in succession. Wiswell doing the trick twice and Hay once.

The Truro goal keeper put up a splendid exhibition and was easily the star of his aggregation. For the Wanderers, Wiswell, Bauld, Hay and Reardon excelled.

The lineup: Truro Goal, Halifax, McMillan, Point, Hilton, Nelson, Reardon, Cover Point, Hay, Talbot, Wiswell, Searle, Rover, A. McDonald, Bauld, Right Wing, MacPherson, Chipman, Left Wing, Tibbott, Gorham.

By George A. Barton. Today a quiet wedding will be held at Humboldt, Ia. That is, it will be quiet in Humboldt, but it will create a stir in the sporting world, for the wedding will be that of Frank Gotch and Miss Gladys Oestrich, only daughter of Mr. and Mrs. R. F. Oestrich of Humboldt, the town made famous by the wrestling ability of Gotch.

Gotch and Miss Oestrich are natives of the town. Ever been in Humboldt? It is a pretty little place and the most beautiful thing about it is the sentiment existing among its citizens. Humboldt folk are like one big family. Everybody-boosts everybody else. It really is remarkable the way they stick together.

Gotch was 23 last April. Miss Oestrich is just turning twenty. The champion wrestler is worth \$250,000. He owns 1,000 Iowa acres, a fine farm home and a house in Humboldt. Miss Oestrich is a sweet little miss with winning ways. She is the daughter of a wealthy parents. She doesn't care for the social whirl. New York has no attractions for her. She says Humboldt and her friends are good enough for her. She can cook, keep house, sew, and is a talented musician.

MILLER WILL NOT PLAY AT MONTREAL

Cincinnati, Ohio, Jan. 9.—Ward Miller, the former Cincinnati player, but now the property of the Montreal club, says that he will not play in Montreal next season, and that if the management insists that he come and will not sell him back to Cincinnati he will quit baseball.

Miller has just come to Cincinnati from his home in Dixon, Ill., where he ran a jewelry shop during the fall. He will travel for a local firm. "I am led to believe that the Reds want me back and I am anxious to stay," said Miller. "Therefore I have decided that rather than play with Montreal next season I will quit the game. I don't want to do this, mind you, but if the Montreal club acts so peevishly about selling me to Manager Griffith, I will act peevishly and refuse to join them."

NEW YORK TO HAVE MOTOR BOAT SHOW

More Than Three Hundred Boats, Including Canadian Types, Will be on Exhibition in Garden

New York, Jan. 10.—There will be over three hundred exhibitors of motor boats, engines and accessories at the National Motor Boat Show, which will be held at Madison Square Garden from February 21 to March 5.

New York has always led the world in the exhibition of motor boats and this year's show will surpass anything heretofore.

High speed launches will be shown developing thirty-five miles an hour that are not racing machines but pleasure boats, affording comfortable seating appointments, maximum safety and seaworthiness. Cruising yachts will be exhibited capable of accommodating a party of ten or twelve. These boats have become most popular for off shore service and for extended trips on rivers and canals. Few realize the many delightful trips that can be taken in a cruising motor boat easily managed by one man.

The show will be held under the auspices of the National Association of Engine and Boat Manufacturers, the association comprising all the leading boat and engine building and accessory manufacturers.

Among the special features will be the government exhibition of power life saving boats, which will be under the supervision of Captain McTearland, supervisor of Long Island stations, and a detail of life savers. The exhibit will include the largest power life boat in the world.

The Thousand Islands Yacht Club will exhibit one of their famous twenty-eight foot power boats, while the Richelieu and Ontario Navigation Company will show the steamer Rapids King, which negotiates the dangerous St. Lawrence Rapids. The famous Curtiss aeroplanes will be exhibited in the Concert Hall, and demonstration will be given every afternoon and evening. In addition to a series of lectures by an expert, Glen H. Curtiss will be on hand during the show to explain the science of aeronautics.

In the basement sixteen hundred boys will compete on sixteen ranges for the Public Schools Athletic League rifle shooting championships. This comprises the biggest entry list in the world.
