TIMBER LAND SALES AND THE NEW ACT.

(Sydney Record.)

The opening of navigation and the shipment of coal by water brings into operation the new coal washing plant of the Dominion Coal Company near the intercolonial piers, Sydney.

The construction of the coal washer was carried on in conjunction with that on the new No. 3 plan described some time ago, and is said to be the only one of its kind in Canada.

The building in which the washing machinery is installed is also said to be the only absolutely fireproof structure in Nova Scotia. There is one wooden piece in the building, a small entrance door on the first floor. All other parts of the construction are of steel, concrete and cement, brick.

A FOOLISH JOKE.

Richibucto, N. B., April 23.—The young man who passed the bogus bank notes in Rexton a few days ago has been rounded up at his home in the western part of Kent county. He seemed to look upon his crime as an April fool joke. As he is connected with some of the best families in the county and seems a little demented it has been decided not to prosecute. His friends made good the loss to the victims of his "little joke."
