GREEKS WIN DOUBLE HEADER; F'TON AND BANGOR SPLIT EVEN

A good crowd of spectators were in attendance at the North End grounds yesterday afternoon and watched two interesting games of ball between the Marathons and St. Croix, and the double header went to the locals. The first game was 3 to 2 and the second game 8 to 7. The second game was called after St. Croix had their half of the seventh at bat so the visitors could have time to catch their train for St. Stephen.

The first game was started at two o'clock and proved one of the best contests this season, as it was a close fight from start to finish. The game was started at two o'clock with Joe Tarbell in the box for the Greeks and David Howard for the St. Croix. The first three visitors to bat in the first inning went out in order. It looked as if the Marathons were going to score in their half of the opening round, as Vance was off and had a couple of errors, and with a base on balls a Greek got as far as third base, only to die there. In the second inning, as Vance was off and had a couple of errors, and with a base on balls a Greek got as far as third base, only to die there. In the second inning, as Vance was off and had a couple of errors, and with a base on balls a Greek got as far as third base, only to die there.

In the fourth inning St. Croix, with only three men to bat again managed to get a man as far as third, when the side was retired by a quick double play from Bien to McPherson at third.

In this inning the Marathons tied the score. Pease drew a base on balls, went to second on Waterhouse going out at first, and then scored when Parker dropped a fly ball hit by Riley. In the fifth St. Croix made another run and pumped in the lead, and it was their second and last run in the game. Vance drew a base on balls, this run, as he did the other one. He singled to centre, went to third on Gross hitting to left for two bases, and then, with two out, Lynch beat out a hit to short and Vance scored. Lynch retired the side trying to steal second.

An error by Pease and another by Waterhouse allowed two visitors on bases in the sixth, but after one man struck out a double play retired the side. It was in this inning that the Greeks made two runs, which resulted in also winning the game. Pease singled to centre. Bien, who hit by a pitched ball, Waterhouse sacrificed. Riley singled to centre and scored. Pease and Ramsey placed a sacrifice fly into centre field which scored Bien.

Both teams were retired quickly in the seventh and eighth innings, but in the ninth it looked as if St. Croix was going in for a rally. Watt singled to right. Parker beat out a hit to pitcher. Vance sacrificed. Gross hit to Pinkerton at second and Watt was put out at the plate, and of course he put up an argument that he was safe by a mile. Howard hit out to life pitcher and the game was over.

During this game Parker, the kid centre fielder for St. Croix made two beautiful catches in centre field, for which he was given round after round of applause. Parker and Black collided in the second inning. Parker caught the ball, however, and was injured for a few minutes.

SECOND GAME.

After a rest of about ten minutes the teams started in for the second game. Howard felt in good shape, and at his own request, Captain Lynch allowed him to pitch the second game. It was not as clean a game as the first one, and there was considerable more hitting with the Greeks having the best of the barstais, making no less than an even dozen in a half a dozen innings.

At the end of the fifth inning the score was 4 to 2 in favor of Marathons. In the sixth inning St. Croix came upon Williams, the Marathons new pitcher, without mercy, and after they pounded two singles and a double for two runs, Williams was sent to the bench and Charles went in the box. Parker flied out to short. Vance hit one that went through Waterhouse and Watt scored. Gross singled to centre and Vance scored. Gros tried to stretch his single into a double and was put out at second.

Things now looked good for St. Croix, and the players from the border were full of ginger, but the Marathons came in for their half, and they also made four runs, jumped in the lead again. McPherson hit to Vance who missed. Pinkerton singled to right. Shanksy struck out. Pease singled to right. With the bases full Flaherty smashed a two bagger to the left field fence and scored McPherson, Pinkerton and Pease. Waterhouse followed with a two base hit to centre field and scored Flaherty. Riley and Ramsey scored Flaherty. Riley and Ramsey hit out to the infield.

In the seventh Black was hit by a pitched ball and went to second on Flaherty hitting out of pitcher. Tetreault singled to left and scored Black. The other two men to bat were retired quickly and the game was then called to allow the visitors to catch their train.

Frederickton-Bangor Split.

Frederickton, N. B., August 5.—Frederickton and Bangor split even today in a double-header, Bangor taking the first game by a score of 3 to 1, after which Frederickton took the second encounter by a score of 13 to 2. Each club played good ball when they were winning and were off color in the other game, being unable to keep going at top speed at the same time.

Billy Cooney, the former New England leaguer, did the pitching for Bangor in the first contest, worked easily and had the game well in hand all the time. He was hit safely eight times but after the first few innings Frederickton was unable to bunch their hits, with the result that he never was in trouble after the fourth round. Ahearn, who pitched for Frederickton, was poorly supported and hit hard. Cooney's pitchers mixing their hits with the Frederickton players' misplays.

Keane and Ahearn were back in the game for Frederickton, but the former lasted only until the sixth inning, when his ankle gave away again and he retired. Later he was chased from the field for sassing the umpire from the bench. Reed had to retire during this game, also, with a bad ankle. Brooks taking his place in right field. Whites, who replaced Keane, made costly errors.

The Second Game.

Wallace was sent to the mound by Manager Connaughton to start the second game and the fourth inning proved his undoing. A succession of seven infield and outfield hits, including successful bunts by Murphy, White and Ganley, and a ball thrown by Wakefield which hit Dugan in attempting to complete a double play after Condon had been retired at the plate, netted Frederickton six runs. After that there was nothing to it. Carney succeeded Wallace in the sixth and was wild and was hit oppositely when he got the ball over the plate.

Pete Condon pitched good ball for Frederickton and should have had the game easily tucked away in the early stages, but errors by Whites and Murphy gave the Bangor club a chance to tie at the end of Bangor's half of the fourth inning, when Wallace's balloon went up.
