This company will not be responsible for any debts contracted after this
date without a written order from the
company or captain of the steamer. Weimar, Thursday, June 12 (By The P.)—Resolutions expressing indigation at the "peace of violence" which makes Germany's future "imposible were adopted by the majority potalist party at its convention here day. The resolutions declare that he peace terms are not in conformity with President wilson's fourteen oints, or built upon the basis set orth by the international socialist onferences at Berne and Amsterdam International socialists are called conferences at Berne and Amsterdam, International socialists are called upon by the party to protest against what is characterized as the "most anheard-of peace of modern history." It is likewise demanded that the German republic be admitted immediately to the League of Nations as a member with full rights.

Of its home government, the party demands that it make a relentless investigation of all who were responsible for the outbreak and conduct of the war.
