**Expressed Great Gratification**

Preaching to the united congregations of the Centenary and Queen Square Methodist churches at the morning service held in the Queen Square Church yesterday, the Rev. T. A. Goodwin expressed a great deal of gratification in the victory attained for Prohibition.

The victory, he said, was won under the most difficult circumstances. The holiday season meant that many people were out of the city. Saturday was a day unfavorable for voting for many. The weakness in the set allowed a great many infractions that tended to discourage the people in its efficiency. The privilege to bring in intoxicating liquors from other provinces made it next to impossible for the inspectors to cope with the situation. All these facts made it harder to attain a victory and more difficult to convince the people of the worthiness of the present law.

Mr. Goodwin said that the confidence of the masses could be depended upon. When all the people speak they show an unmistakable desire for advance in the right direction. I believe more than ever in the principle of democracy. Every effort must now be put forth to strengthen the law and meet the wishes and hopes of the people that we shall have a dry province.

Mr. Goodwin expressed the same views at the evening service held in Centenary church and read a summary of the returns both for the city and province.

**THURSDAY, JULY 15TH, AMERICA CUP DAY.**

The battle of the Shamrock and the Resolute for the yachting supremacy of the world. Who will win? That's the question. Will the dodged perseverance of Sir Thomas Lipton together with the magnificent sailing qualities of his yacht and crew result in fitting the cup, or will the Resolute succeed in its defence. F. A. Dykeman & Co. have made arrangements to portray the actual struggle exactly as it is taking place minute by minute, in such a vivid manner that it will be quite unnecessary to go to New York in order to witness the fortunes of this race.

Watch their big Show Window carefully all this week.

**NEW BRUNSWICK POWER COMPANY ON VERGE OF A BIG STRIKE**

**General Manager Macaulay Says Company Has Met Wishes of the Employees—F. A. Campbell and Members of Committee State That If Their Clause Regarding One-Man Car is Not Agreed to Today Cars, Power and Gas Will Stop at Six O'clock This Afternoon.**

There is only one thing that will prevent the city from being tied up at six o'clock this evening for street cars, electric power and gas, and that is the removing of a clause in an agreement signed by General Manager Macaulay of the New Brunswick Power Company which is not agreeable to its employees, and placing in a clause that the men request, this is the gist of a statement given to The Standard last night by Fred A. Campbell in speaking for the men.

While Manager Macaulay claims that the clause in question was submitted and agreed to by the men, the men claim that this is not correct, but that the clause was made up by F. R. Taylor, the company's solicitor, that it was brought before a meeting of the men early Saturday morning, and as exclusively stated in The Standard, was rejected.

F. A. Campbell and two other delegates were seen by The Standard last night and they said that Mr. Macaulay would be given notification this morning to change the clause and if this is refused a strike of all power company employees will be called on at six o'clock.

Mr. Campbell said that after an agreement had been decided on Mr. Macaulay inserted the clause which is objectionable to the men, and unless this clause is taken out and the men want put in, then the works will stop. Further Mr. Campbell said that if there was a strike the men would not be responsible.

**Pastor Received Pleasant Surprise**

**At the Close of the Service in Main Street Baptist Church Last Evening Rev. Dr. Hutchinson Was Presented With Leather Billfold Containing Over a Hundred Dollars.**

A pleasant event took place last evening in the Main Street Baptist church at the close of the service and the pastor, Rev. Dr. David Hutchinson was given quite a surprise when he was handed a handsome leather bill fold suitably engraved and containing over one hundred dollars.

Rev. Mr. Hutchinson and family will leave this evening for a holiday visit to Winnipeg, where his son William is located, and the congregation took advantage of the opportunity to mark in this way their appreciation of his services during the past fifteen years of his pastorate.

At the close of the communion service, L. H. Thorne, senior deacon of the church, called Mr. and Mrs. Hutchinson to the front and in a few well chosen words presented the gift of the people to their pastor and his wife, reminding Mr. Hutchinson that half the contents of the book were for his good wife.

Mr. and Mrs. Hutchinson both expressed their thanks for the gift and the good wishes which accompanied it.

**H. M. S. Calcutta In The Harbor**

**British Battleship With Sir Allen Everett on Board Arrived Saturday—Thousands of Citizens Visited the Ship Yesterday.**

The H. M. S. Calcutta proved the center of interest yesterday, and everyone's Sunday promenade included a visit to the flag ship of the North American and West Indian squadron. The fact that the battleship was moored to MacLeod's wharf made it easy of access and the public took full advantage of the occasion offered to inspect one of the most modern fighting craft in the British Navy.

Prior to her arrival here on Saturday evening, the battleship participated with a Japanese cruiser and several ships of the American Navy at the celebration held at Portland, Me., to commemorate the centennial of the Pine Tree State. She left Portland at 8.30 Saturday morning and docked here Saturday evening.

As a welcome to the men on their first visit to the Navy League arranged with the City Cornet Band for the concert rendered in King Square Saturday evening. The programme was a pleasing one and more largely attended by citizens in general than any other held this summer. It may have been the weather and again it may have been the fair sex at least—the irresistible attraction of the sailor men who were to be seen here and there in the crowd.

Having visited the city Saturday evening, the city in turn visited the ship yesterday afternoon. The sailors proved hospitable hosts and quite willing to explain to uninitiated land lubbers the many mysteries of their floating home, the bulwark of the British Empire.

The Calcutta is a light cruiser launched at Barrow in 1915. She is one of the latest type of her class, an oil burner with turbine engines, four hundred and fifty feet long, with a draught of eighteen feet, and a speed of thirty-eight knots per hour. She has five six inch guns and smaller armament including anti-aircraft guns and eight torpedo tubes.

She is the flag ship of the fleet and flies the rear admiral Sir Allen Everett's flag, the naval ensign with two red balls. She is commanded by Captain N. P. Noble, M. V. O., and manned by twenty-six officers and three hundred men. Although the youthfulness of the crew is evident the majority of them saw service in the heaviest naval engagements of the war, at Jutland and in the Dardanelles. One of the men wears the D. C. M. won at the storming of the mole at Zeebrugge.

Prior to her American trip the Calcutta cruised in the Gulf of St. Lawrence visiting Montreal, Quebec, Charlottetown and Sydney. Although Halifax was formerly the base for the North American and West Indian squadrons, Bermuda has of late years been chosen as such. There are three other ships in the squadron which patrol these waters, the Constance, Cambrian and Calipso. The Calcutta was the ship chosen to conduct the Prince of Wales in his tour of the West Indies and may possibly bring him back to St. John, and on his return from the Antipodes.

Although everything was in readiness at the Seaman's Institute for the holding of a service for the men last evening the charm of out of doors proved too great an attraction and the congregation did not show up.

It is planned to hold a regatta on the harbor this evening and in addition to the shell races in which local oarsmen are to compete, a race will be held in two of the Calcutta's whale boats between two picked crews, one of blue jackets and the other of local oarsmen. Prizes will be donated by the C. C. A. A. to the winners of the different events. It is also probable that a foot ball match will be arranged for in the afternoon. A picture show and entertainment will be given the men in the evening at the Seaman's Institute, starting at nine o'clock.

On leaving here Tuesday the battleship will sail for St. John, Newfoundland.

Mayor Schofield accompanied by Commissioner Frink and Commissioner Thomson on their official visit to Rear Admiral Sir Allen Everett, K. C. M. G., C. B., Saturday evening. Others calling were R. E. Armstrong, Capt. Mulcahy, Colonel Sturdee and B. Allan, Colonel McMillan and Colonel Sparling.

A grand programme for both officers and a men is arranged for them during their stay in the city.

**Dinner and Dance.**

A dinner and dance was given on Saturday evening at the Manor House by Lieut-Governor Pugsley and Mrs. Pugsley in honor of Rear Admiral Sir Allen Everett, K. C. M. G., C. B., and the officers of H. M. S. Calcutta.

Governor Pugsley and Mrs. Pugsley, Sir Allen Everett and Mrs. Carr Allen, of Fredericton, received the guests.

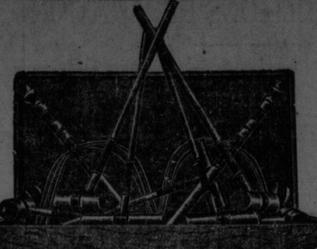

Covers were laid at a handsomely appointed table for thirty guests. The floral decorations were syringa and yucca. Among the dinner guests were the following Rear Admiral Sir Allen Everett, Capt. Noble, M. V. O., Flag Lieut. Bottomley, Lieut. Farry, General Macdonnell, Col. A. H. Powell and Mrs. Powell, Premier Foster and Mrs. Foster, Mayor Schofield and Mrs. Schofield, Mr. and Mrs. L. P. D. Tilly, Mr. and Mrs. Stanley Eldin, Canon Kuhnring and Mrs. Kuhnring, Mr. and Mrs. R. E. Armstrong, Colonel Alexander McMillan, General McLean, Colonel Sparling and Mrs. Sparling, Dr. W. W. White and Mrs. White, Mrs. Carr Allen, Fredericton; Mrs. D. P. Chisholm, Mrs. Gilmour Brown.

A number of officers and young people were invited for dancing after dinner. An orchestra was in attendance which furnished music during dinner and for dancing. The toast to the King was honored during dinner but there were no formal addresses.
