DANDERINE

Grows Thick, Heavy Hair
Keeps Hair Cooling Out

Ten minutes after using Danderine you can not find a single trace of dandruff or falling hair and your scalp will not itch, but what will please you most will be after a few weeks' use, when you see new hair, fine and downy at first—yes—but really new hair is to the hair what fresh showers of rain and sunshine are to vegetation. It goes right to the roots, invigorates and strengthens them, helps the hair to grow long and luxuriant. One application of Danderine makes thin, itchy, colorless hair look positively bright, lustrous, and just what you need.

Guard Your Health

You Can Do This by Keeping the Blood Rich and Red.

It is useless to tell a hard working woman to take life easily and not to worry. Every woman at the head of a home; every girl in office, shop and factory is subject to more or less worry. These worries cannot be avoided. But it is the duty of every woman and every girl to save her strength as much as possible, and to build up her system to meet unusual demands. Her future health depends on it. To guard against a breakdown the blood must be kept rich, red and pure. To keep the blood in this condition Dr. Williams' Pink Pills will be found most useful. They strengthen the nerves, restore the appetite and bring the glow of health to pallid cheeks, and renewed energy to listless people. Women cannot always rest when they should, but they can keep up their strength through the occasional use of Dr. Williams' Pink Pills. This is shown by the case of Mrs. Minnie Swift, residing near Simcoe, who says in a few years ago I was in a deplorable state of weakness. My blood was weak and watery and the circulation poor. My appetite was poor and what food I did take distressed me. I was not able to do my housework, and often my nights were sleepless, and headache and backache added to my misery. I was finally persuaded to drop other medicines and take Dr. Williams' Pink Pills. This I did, and after taking the pills for a couple of months I could do my housework with ease, eat well, sleep well and had gained in weight. From my own experience I cannot praise these pills too highly.

You can get Dr. Williams' Pink Pills from any dealer in medicine, or by mail at 50 cents a box, or six boxes for \$2.50, from The Dr. Williams' Medicine Co., Brockville, Ont.

Taylor applied the torch, and Miss Phoebe Moran caught the ashes in a receptacle. Some discussion then took place about church repairs and a committee consisting of Dr. H. I.
