City Timber Lots Threatened By Fire

Burning of Clearings Endangered Safety of Wooded Tracts.

The burning of some forest clearings by farmers at Little River Saturday came near resulting in serious damage to the city timber tracts on the south. The fire started by the farmers burned briskly. A heavy wind sprang up shortly after the fires were started, and the blaze got beyond the control of the watchers. It spread rapidly and reached the city lands. Fearing it would reach the heavy wooded growth, word was sent to the city for assistance. Commissioner Jones and the superintendent of the lots went to the scene for the purpose of arranging to check the fire's progress on the city property. A fortunate shift in the wind occurred in the early part of the afternoon and this drove the flames back over the territory it had traversed, giving the men there an opportunity to kill it out before another change in the wind could again endanger the city's timber.

Fredericton, N. B., June 26.—A military wedding took place this morning at St. Anthony's Roman Catholic Church, Devon, when Miss Lea Franklin, daughter of Mr. and Mrs. Arthur W. Franklin, formerly of Halifax, but now of New York, became the bride of Major Edward J. Mooney of St. John, N. B.

The bride, who was given in marriage by her father, wore a wedding gown of white tulle silk with over drapery of heavy Irish lace and silk. The bodice being embroidered in pearls. She wore a bridal veil with orange blossoms and lilies of the valley and carried a shower bouquet of opelia roses. She also wore a gown of pearls georgette over peach satin with rosettes of pale blue satin ribbon on the skirt and a hat of peach and blue georgette and carried a bouquet of roses. Miss Gerry Warren of New York made a very dainty little flower girl dressed in maize organza and carried a basket of white roses which she strewed up the aisle preceding the bride party. The groom was supported by Major Everett of St. Andrews, a brother officer, who wore both in military uniform. The ceremony was performed by Rev. E. J. Conway, pastor of St. Anthony's church in the presence of a large number of friends and relatives of the bride and groom.

At the conclusion of the ceremony the organ pealed for the wedding march and bride party left the church under an arch of drawn swords, the brother officers of the groom being drawn up in front of the church and forming an escort. At Windsor Hall a dainty wedding breakfast was served in the parlors, which had cupids and hearts suspended from the chandelier with white ribbons, the mantle, piano and bay window being banked with peonies, roses and other flowers.

CAN THE DEAF BE MADE TO HEAR?

This question can be answered both ways. If the deafness is due to Catarrh, success is general if the sufferer persists in the use of Catarrh-ozone and thereby drives Catarrh out of the system. Penetrating through the passages of the ear, the soothing vapor of Catarrh-ozone relieves the inflammation, destroys the seeds of Catarrh and thereby allows Nature to reassert herself. For Catarrhal Deafness, pain over the eyes, plugged nostrils and other symptoms associated with Catarrh, use Catarrh-ozone. You'll be more than pleased with the quick improvement in your condition. Two months' treatment, One Dollar, sold everywhere, or the Catarrh-ozone Co., Montreal.
