

THE WEATHER

Toronto, July 19.—Pressure is lowest tonight in the St. Lawrence Valley and highest in Manitoba. Rain has been general again today in Southern and Eastern Ontario, also in Quebec, and showers have occurred locally in the Maritime Provinces. In the West the weather has been fine and warm.

St. John	64	62

Forecast
Maritime—Fresh winds, mostly south and west; showers, local thundershowers.
Northern New England—Showers followed by fair weather Wednesday; Thursday fair. Fresh west to southwest winds.

AROUND THE CITY

USE NEW HYDRANTS.

Some of the new hydrants which are being installed in Lancaster's new fire district were used for the first time in fighting a fire in D. C. Clark's garage, West St. John.

ST. VINCENT DE PAUL FEAST.

Tuesday, July 19, is the feast of St. Vincent de Paul, founder of the Order of Sisters of Charity. He is patron of the Mother House of the Diocesan Sisters of Charity, Cliff street.

NORTH END ALARM.

An alarm was rung in from Box 135 about 7 o'clock last evening, when smoke was seen coming from a house on Murray street. Upon investigation, however, there proved to be no fire, but only smoke from a stove in the house.

MANY TOURISTS COMING.

The Boston train yesterday brought many passengers en route to Nova Scotia and P. E. Island. The summer travel during the past two weeks has been very heavy. The Governor Dingy arrived from Boston yesterday morning with 320 passengers. The latter end of the voyage was very cold and foggy.

RIVER TRADE LIGHT.

The river has been experiencing a poor season, the prolonged dry weather having spoiled the crops, to a large extent, and there has been a falling off in river traffic. An increase in the number of motor boats and automobiles and in railway travel have brought about the latter feature.

CITY SAVED MONEY.

Mayor Schofield yesterday called attention to the very satisfactory returns from the discounted period for paying taxes and said the city would save over \$4,500 in interest by the earlier date over last year. The amount received was paid in by about fifty per cent. of the ratepayers.

A WORTHY INTENTION.

Charles Tilley, of the Customs Department has issued invitations to the various orphanages to attend a picnic at Seaside Park on August 27th, for the benefit of the orphanages. As soon as the institutions fall in line with Mr. Tilley's plans he will go ahead with the work.

ST. JOHN POPULATION.

Copies of the new city directory has been distributed by the McAlpine Publishing Co. There are 22,350 names listed, an increase over last year of 912. The population is given as 67,050, using the factor of 3, which is the figure applied by directory publishers to the number of directory names, to determine the population. There are 1,100 corrections reported.

GRANTED CERTIFICATES.

At the examinations for stationary engineers, held on July 14 and 15, the following local men were successful in obtaining their certificates: Loren Gordon, West End; Harold Bruce, Duke street; Frank Mosher, Chapel street; A. Roy Colwell, Victoria street; Harold Green, Golden Grove; Harold J. Humphrey, Fairville, and Cecil B. Bonnell, Public Landing.

THE TOTAL SHORTAGE.

The case of G. Langhein charged with the misappropriation of funds of the International Longshoremen's Association, was before the Court yesterday morning. The previous evidence given by M. Decker was read over. The total shortage was set at \$1,140.57, according to the audit of May 10, 1921. The case was further postponed till Thursday at noon.

CLOTHING WORKERS' CHARTER.

Application for a charter has been made by Fred A. Campbell, president of the Trades and Labor Council, to the United Garment Workers' Union of America on behalf of the garment workers of the city. The local branch which has 100 per cent. membership will be the first local of this organization in the Maritime Provinces. The membership of this union will include the makers of men's garments. St. John already has a branch of the National Lady Garment Workers, which is a union of those engaged in the manufacture of women's wearing apparel.

WILL PACK SARDINES.

The sardine factory in West St. John, owned by the South Fisheries, Ltd., will be operated by that company, beginning August 1st. It was reported yesterday. Captain Anderson, of Eastport, is expected here on July 25 to get the plant ready and to organize a staff.

The plant has been closed for several seasons and when in operation employs at least seventy-five people in all departments.

Workmen between Point Lepreau and St. John are getting their nets strung and schools of sardine herring are said to be moving in the Bay.

Protest Against Oil Depot On West Side

C. Herbert Green Re-appointed to the School Board—Protest Assessment.

A protest against the establishment of an oil depot in McIntosh's Field, west side, was received at the city council yesterday and G. Herbert Green was re-appointed to the board of school trustees for another term to succeed himself.

Mayor Schofield presided and Commissioners Thornton, Frink, Bullock and Jones were present.

The report of the committee of the whole, as published yesterday, was adopted.

The common clerk read a largely signed petition from residents of the west side protesting against the establishment of an oil depot in what is known as McIntosh's Field, claiming that it created a fire hazard and reduced the valuation of their property. Commissioner Bullock moved that the communication lie on the table until such time as the application of the oil company seeking the privilege was before the council, when both could be taken up together.

A letter from W. Grant Smith asking on behalf of the F. R. Dearborn estate that the council hear an appeal from the assessment levied against the estate for the present year was referred to the mayor to arrange a time for the hearing. The assessment for this year is \$3,200 on the land and \$29,800 on the building and machinery and the assessors refused to make them any rebate on it.

Commissioner Jones moved that G. Herbert Green be appointed to fill the vacancy on the board of school trustees caused by the expiration of his former term. Carried.

New Brunswick Medical Society

Dr. L. G. Pinault of Campbellton Elected President at 41st Annual Meeting.

Dr. L. G. Pinault, of Campbellton, was elected president of the New Brunswick Medical Society at the concluding session of its forty-first annual meeting which was held in the Board of Trade rooms yesterday afternoon. The other officers elected were: Dr. S. H. McDonald, St. John, first vice-president; Dr. E. Stanley Brice, St. John, second vice-president; Dr. W. P. Kirby, Moncton, corresponding secretary; Dr. E. J. Ryan, St. John, recording secretary; Dr. J. B. Lawson, St. Stephen, treasurer. Trustees: Dr. A. F. Emory, St. John; Dr. A. E. Longie, St. John; Dr. A. J. Sornay, Shediac. Executive: Dr. L. G. Pinault, Campbellton; Dr. Murray MacLaren, Hon. Dr. Roberts, Dr. E. J. Ryan, St. John; Dr. J. Vesiot, Bathurst; Dr. J. D. Lawson, St. Stephen.

Considerable routine business was transacted at the afternoon meeting.

Morning Session

The morning session was held at the General Public Hospital and was attended by Doctors Thomas Walker, G. A. B. Addy, Murray MacLaren, Stewart, Skinner, A. Macaulay, J. S. Bentley, Hon. William F. Roberts, J. H. Allingham, F. L. Kenney and L. M. Curran, of St. John; V. D. Davidson, Fairville; F. H. Wetmore, Hampton; S. C. Mosnay, of Albert, and G. P. Vanwart, of Fredericton.

Hon. Dr. Roberts presided, and Dr. Thomas Walker, St. John, acted as chairman pro tem. The minutes were read and commented upon and certain communications from the Canadian Medical Society, containing resolutions, were submitted. No papers were read at this meeting, as the Canadian Medical Society held its convention only last week.

Simon Gueter Pleads Guilty

Was Arrested for Being One of Disorderly Crowd During the Stoning of a Street Car.

Simon Gueter, the young lad who was arrested during the stoning of a street car at Haymarket Square on Sunday afternoon, July 10, on the charge of being a member of a disorderly crowd, changed his plea of not guilty to the guilty when arraigned before the police magistrate yesterday afternoon.

At a previous hearing Detective Biddescombe had sworn to seeing the accused stooping down to pick up a stone and of finding a stone in his pocket. His evidence was corroborated by that of Sergeant-Detective Powers.

L. McC. Ritchie, who appeared for the defendant, made an eloquent appeal for the clemency of the court at yesterday's hearing. He pointed out the youth of his client, and the fact that as a matter of justice he should not be made the scapegoat and bear the penalty for an offense of which a mob of over three hundred persons were jointly liable. Work had been procured and he was awaiting the defendant, and he asked that he be dismissed from custody to enable him to redeem his standing in the community by an assiduous application to an honest means of livelihood.

The magistrate instructed that Gueter be remanded for the statutory period of three days, during which interval he would reassure himself as to the young man's past record. Some details of the case would bear explanation, he remarked, before he would be disposed to grant an acquittal.

Salvage Corps' Annual Outing

Members of Nos. 1 and 2 Companies Spent Enjoyable Time at Lorneville.

The annual joint outing of Nos. 1 and 2 Salvage Corps and Fire Police held at R. W. Dean's, at Lorneville, conveyed by 11 autos, 52 members of Nos. 1 and 2 Salvage Corps and Fire Police left the city at 2 p.m. On arriving at Dean's the following programme was carried out:

A sharply contested game of baseball was played—No. 1 faced by No. 2. The batteries for No. 1, Robert Geldert and William Stewart; No. 2 had Charles Cunningham and Robert Pirie. It was agreed to play 5 innings, and the score was as follows: No. 1, Co. 6; No. 2, Co. 4. Unhappy for the game were John Tonge and Rev. J. L. Kennedy of Western Misamisipi.

The 100 yard dash won by the following: 1st prize Charles Cunningham; 2nd prize Percy B. Howard; 3rd, H. B. Gault.

50 yard dash—1st, Robert Bartlett; 2nd, William Stewart; 3rd, Seady McBeath.

Obstruction log race—1st, William Stewart; 2nd, Charles Cunningham; 3rd, William J. McAuley.

Three Legged race—1st prize Stewart and Howard; 2nd, Brown and Cunningham; 3rd, Sullivan and Haman.

Standing jump—1st, William Stewart; 2nd, Walter Campbell; 3rd, Charles Cunningham.

Running jump—1st, Robert Bartlett; 2nd prize, Harold Gault; 3rd, William Stewart.

Tug-of-War, pulled by 9 of the strong men of No. 1 Company, and 9 of No. 2. After a tug lasting five minutes No. 2 Company proved the greatest strength and won the pull.

A very interesting race was completed in by Captain MacRae of No. 1, Captain Cunningham of No. 2. Both being so eager to win that the starter was compelled to ring his bell several times to get them going. The race started. On the word it was a whirlwind, both crossing the line together and on the second run Captain MacRae won over Captain Cunningham.

A special race arranged by a number of the wind blowers of 50 yards was easily won by A. M. Rowan, the honorary member and chaperon of No. 2 Co.

A challenge race between the captain of No. 1 and the mayor of the North End was then drawn. Mr. Rowan beat the mayor.

Pitching the stone weighing 16 pounds was contested by 10 men. The Rev. Father Kennedy easily winning by tossing the stone 32 feet.

The other officers sounded for dinner, some 52 sitting down and partaking of a dinner. Great credit is due Mr. and Mrs. Dean in the arrangements of the tables and decorations, ten courses being served.

After justice had been done to the good things provided Captain Cunningham in a few pleasing remarks called upon the speaker, Mayor Schofield, who proposed a toast to His Majesty the King, all rising sang the National Anthem. His Worship then made a forcible appeal to the boys. Commissioner Thornton also addressed the corps followed by Captain MacRae.

The assemblage received a rich treat when the speaker of the evening was called on the Rev. Father Kennedy, who held the boys spellbound for 30 minutes. His wit and humor could not be surpassed at any gathering.

The prize for the baseball game is a silver cup donated by E. A. Ellis, and to be competed for by the two companies at the next annual games. No. 1 has now one game to their credit.

The party arrived in the city at 9:30 all voicing the splendid treatment they had received from Mr. and Mrs. Dean and cheerfully recommend their hospitality to any party who wishes to have a genuine day's outing.

The committee in charge was composed of T. A. Armour, chairman; G. H. Tapley, secretary; Joseph Irving, Charles Robinson, Sandy McBeath, Fred Dolg, Edwin Ellis and F. W. Haman.

The ability of the two captains in the athletic game is well known by the members under their command, and while in years past they were looked on by large crowds while performing, they don't desire that the date when they were at their best be made public. Captain MacRae was one of St. John's best runners and performed in many athletic meets, while Captain Cunningham will be remembered as a star outfielder with the Rosses baseball team. Although getting on in years it is remarkable what proper training will do, and those who witnessed the two captains compete yesterday were given a real surprise.

Liquor Boards Meet Here Today

Maritime Commissions to Study Trade in the Three Provinces.

A joint meeting of the three boards of liquor commissioners for New Brunswick, Nova Scotia and Prince Edward Island, will be held this morning at ten o'clock in the government rooms, Prince William street.

The meeting was called at the suggestion of the P. E. I. board, and although no agenda has been prepared, the meeting will in all probability include in an interchange of ideas to the mutual advantage of all concerned. It may be also, that the meeting will result in a standard of prices being set for liquors in the three provinces. Those of Nova Scotia and New Brunswick are much similar at the present time.

New Brunswick Board.

The New Brunswick commission will be represented by the chairman the Hon. Mr. Tweeddale, and Mr. Maguire. Mr. Bentley, the third member, is absent from the province.

The Nova Scotia commissioners will be Mr. W. R. Walsby and C. P. Wood, of Halifax, and Mr. P. A. Proudfoot, of Pictou County. The Nova Scotia commissioners arrived in the city on the Dighy boat last evening. The Prince Edward Island commissioners arrived in the city on the late train last evening.

All Well Here.

Mr. Tweeddale stated last evening that the New Brunswick commission had their work well organized at Fredericton and that there had been no sign of friction with the retail vendors. The latter have been supplied with board's price lists, and will be required to book all further orders with them.

The commission has completed the taking over of the stocks of the wholesale vendors with the exception of one small shipment which was on order at the time, and is now being unloaded from a ship at Halifax and shipped direct to Fredericton. Owing to the large stocks carried by the wholesalers, the commission has not been obliged to order direct from the distillers as yet, except for one line in which the wholesalers were somewhat weak.

Mr. Walsby, of the Nova Scotia board stated last evening that the commission in his province had been functioning since May. There were no wholesale vendors' stocks to take over there, as no wholesale vendors' licenses had been granted for some years, but the stocks of all the retail vendors were taken over by the board.

Paid a Salary.

In Nova Scotia, he said, the retail vendors were paid a salary and did not work on the commission basis as they do in New Brunswick. Another point of difference is that all orders for liquor are required by law to be filled by the retail vendors, whereas in New Brunswick liquor may still be imported from outside points direct to the home of the consumer.

Mr. Walsby said that considerable drunkenness prevailed in Nova Scotia, and that but one drunk out of nine became intoxicated from liquor supplied by vendors, the others were taken over by home brew or alcohol splits. It was generally felt that a number of illicit stills were being operated throughout the province, and that the worst being smuggled in large quantities into the counties on the northern seaboard and in Cape Breton, from the island of St. Pierre Miquelon.

Will Ventilate Harbor Question

H. R. McLellan Invites Public to Meeting at Pythian Castle on Thursday.

In a statement given to the press last night, Mr. McLellan says: I have engaged the Knights of Pythian Castle for Thursday evening, the 21st inst., at 8 o'clock, to hold a meeting when I propose to give those in attendance some information in regard to the present act, under which we are asked to surrender the harbor on August 1st.

There is no desire on my part to direct the citizens of St. John in this regard, but believe it absolutely necessary that all information available should be afforded the voters in order that they may come to some intelligent conclusion.

It is the duty of the Mayor and Commissioners to call the meetings, and any delay in doing so does not appear to me at least as evidence of their desire to have the taxpayers properly informed. It is all very well to say that any statements made on the eve of the election will be of more effect than any made some time in advance; but this is not an ordinary election, when it may appear more effective to have the last say.

The decision on August 1st is for better or for worse, and not only for those of us of the present generation, but for many coming after us. Not alone for the City of St. John, but for the Province of New Brunswick.

Both sides of the case should be ventilated, and while I expect to take sufficient time to present the case from one angle, I will be pleased to have others present who may have the privilege of voicing their opinions, either for or against the act.

The question is not one of Harbor Commission, but whether the present act is good enough to warrant the people surrendering the harbor.

It may be that the citizens of St. John will not take enough interest to attend this meeting, but the opportunity is afforded them, and I hope that it may be proven that there are

Meet Here Today

Maritime Commissions to Study Trade in the Three Provinces.

A joint meeting of the three boards of liquor commissioners for New Brunswick, Nova Scotia and Prince Edward Island, will be held this morning at ten o'clock in the government rooms, Prince William street.

The meeting was called at the suggestion of the P. E. I. board, and although no agenda has been prepared, the meeting will in all probability include in an interchange of ideas to the mutual advantage of all concerned. It may be that the citizens of St. John will not take enough interest to attend this meeting, but the opportunity is afforded them, and I hope that it may be proven that there are

Don't Judge a Carbon Remover by the Black Smoke

which comes out through the exhaust.

Many Carbon Removers contain a fuel oil which causes smoke.

D. B. Carbon Remover

CONTAINS NO OIL OR GREASE. The process of removing Carbon with D-B Carbon Remover is similar to the way Peroxide works on a wound. A demonstration on a spark plug will show you the effect it has on carbon and the way it works in the cylinder.

Take out No. 1 spark plug (be sure it is warm, not hot.) Fill it with D-B Carbon Remover. Watch results.

D-B Carbon Remover is the new scientific way of removing carbon. The chemical action separates the carbon from the metal in such a way that it is pulverized at the first explosion and passes out through the exhaust. Won't interfere with spark—Won't hurt metal—Won't affect oil.
