Our Water Supply. Several persons have complained lately that the pipe water contains much foreign matter, and if allowed to stand, speedily emits an unpleasant smell. A correspondent had some of it boiled and then kept standing for some time. The surface became covered with a grey scum, which, when dried, became an impalpable powder, having a slightly unpleasant odor. He has sent us quite a large sample, but we cannot tell what it is. Probably it is vegetable matter of some kind.—Free-
