Imitation is the Sincerest  
Form of Flattery."

The best proof that

Minard's Liniment

has extraordinary merits, and is in good  
repute with the public, is that IT IS  
EXTENSIVELY IMITATED. The  
imitations resemble the genuine article  
in appearance only. They lack the  
general excellence of the Genuine

This notice is necessary, as injurious and  
dangerous imitations, liable to produce chronic  
inflammation of the skin are often substituted  
for MINARD'S LINIMENT by Dealers,  
because they pay a larger profit.

They Sell on the Merits and  
Advertising of MINARD'S.

One in particular claiming to be made by a  
former proprietor of MINARD'S LINI-  
MENT, which simply is a lie.

Dublin, the strongest possible speech  
was made against landlordism. The  
old Irish question is being renewed

**Witchy Muscles and Sleep-  
lessness.**—The hopeless heart sickness  
that settles on a man or woman whose nerves  
are shattered by disease can best be pictured  
in contrast with a patient who has been in  
the "depths" and has been dragged from  
them by South American Nervine. George  
Webster, of Forest, Ont., says, "I owe my  
life to it. Everything else failed to cure."—44

The action of Sir Alfred Milner, the  
British High Commissioner in the  
Transvaal and Orange Free State and  
Governor of Cape Colony, has been mer-  
cilessly criticised in Parliament. Mr.  
Williams-St. John Broderick, the Secre-  
tary for War, hotly challenged the  
statements about Sir Alfred Milner.  
He declared that, whatever else it  
might do, the Government would never  
weaken the power or the responsibility  
possessed by Sir Alfred Milner.

ONE MINUTE CURE  
FOR TOOTHACHE.

Not only for toothache, but any  
nerve pain cured almost instantly by  
Nerviline. One drop equals in pain-  
subduing power, five drops of any  
other remedy. Thousands say so.  
Powerful penetrating, pain-subduing  
Nerviline. Marvellous in action for  
internal and external use. The  
world challenged for its equal. Drug-  
gists sell it. Your money back if it  
is not so.
