Plantation Jubilee Singers Popular Chautauqua Attraction

The Plantation Jubilee Singers, colored singing organization of note, will be heard at the coming Dominion Chautauqua in splendid programs ranging from folk-like plantation melodies to religious hymns or spirituals.

The Plantation Jubilee Singers have appeared with great success before representative audiences everywhere. They are educated people and trained musicians who represent the best attainments of their race.

The music which they will feature here is that of the American negro. It was conceived during the old plantation days in the United States. This type of music possesses a rhythm and melody found, perhaps, in the music of no other race. Negro folk songs and plantation airs are familiar to everyone.

The programs of the Plantation Jubilee Singers will contribute greatly to the enjoyment of Chautauqua audiences here.

Tait's Corners anniversary services were largely attended on Sunday last, when Rev. Dr. McIntosh, of London, preached excellent sermons both afternoon and evening. Special music was rendered by the choir.

The funeral of Mrs. Mary Auld, widow of the late John Auld, who died on Saturday at the home of her son, John Auld, Melbourne, was held on Monday afternoon at Delaware. Mrs. Auld was in her 98th year, and is survived by one son, John Auld, of Melbourne.

Peter McNeil's farm in Metcalfe was sold by auction by L. L. McTaggart at the McKellar House on Saturday afternoon to Wm. A. Walker, of Metcalfe, for \$5,550. Mr. McNeil is having a clearing sale of farm stock and implements on Tuesday, June 17th, having decided to retire from farming.

The boys' and girls' calf feeding competition will be a feature of the Western Fair again this year, and is creating a great deal of interest among the boys and girls and stockmen generally. Fourteen prizes at least will be awarded ranging from \$75 to \$10. Particulars may be had from the secretary, W. D. Jackson, of London.

A number of ladies from Glencoe and neighboring villages attended an interesting meeting of the Presbyterian W.M.S. District Conference at Tait's Corners church on Tuesday afternoon. Splendid addresses were given by Mrs. McEvoy, of London, and Mrs. Gauld, of Port Hope. Musical numbers were given by Miss King and Miss Hazel McAlpine, of Glencoe.

A local tournament was held at the bowling green on Wednesday afternoon of last week, in which five clubs of bowlers participated. The next tournament will be held on Wednesday afternoon, June 18. All those interested are invited to be at the green at 1:30, when a draw will be made. Any new members wishing to bowl will please give their name to R. M. MacPherson, secretary, or James Poole, president.

The Canadian National Railways, acting in conjunction with the Glencoe Horticultural Society, have placed three flower beds in their yards here and in another prominent spot have placed a marker in white cobblestones showing "Glencoe," that he who rides may read. These are the beginnings of a purpose to make the surroundings at the railway station attractive and give travelers a good impression of the town. The co-operation of the C.N.R. in this respect is greatly appreciated.

Glencoe Oddfellows will observe the 105th anniversary of the Order on Sunday, June 15th, when Divine service will be held in the Methodist church at 11 o'clock, conducted by Rev. A. S. Whitehall. Members of the lodge will meet in the rooms at 10:30 a.m. and 2:30 p.m. In the afternoon the graves of deceased brethren in Oakland cemetery will be decorated. At the same time the Daughters of the Empire will decorate the graves of Great War veterans. Oddfellows are asked to leave flowers at J. W. Smith's not later than Sunday morning.

BOOSTING WESTERN ONTARIO

In these days of motor cars there are few places in Western Ontario which are not within reasonable distance of water and good bathing beaches. In addition, there is more charming tract of country in the world than Western Ontario, with its beautifully wooded, rolling country, with its innumerable prosperous and happy small cities, towns and villages, prosperous and attractive countryside. There is no district in Canada and few on the continent where there is such a happy combination of urban and rural life as in Western Ontario. There is no "better" place than this one and all agree that it is the best in the West. Ontario—London Free Press.

The indications of worms are restlessness, grinding of teeth, picking of the nose, extreme peevishness, often convulsions. Under these conditions one of the best remedies that can be got is Miller's Worm Powders. They will attack the worms as soon as administered and they pass away in the evacuations. The little sufferer will be immediately eased and a return of the attack will not be likely.

Here and There

Shipments of grain from the Grande Prairie and Peace River districts over the Edmonton, Dunvegan and British Columbia Railway during the past season have totalled 2,471,000 bushels of wheat and 1,700,500 bushels of other grains.

The longest solid train of red cedar edge grain shingles ever hauled across the continent left Vancouver, B.C., recently for Chicago and the Eastern States. Several other long trains of this product will be shipped in the near future by the Hunting Merritt Lumber Company, by whom the consignment was forwarded.

A despatch recently sent from London states that Professor Carlyle, of the E. P. ranch, is sailing for Canada shortly, taking back with him a number of brood mares and other stock for the ranch. The Prince of Wales continues to evince the deepest interest in all the doings of the ranch and keeps in close touch with things there.

Approximately the same acreage as produced the West's bumper crop last year will be under cultivation this season. The outlook now is that over 14,000,000 acres of land will be ready for seed under generally favorable conditions. The estimated acreage to be seeded this year, by provinces, is as follows: Manitoba, 4,450,400; Saskatchewan, 3,354,190; Alberta, 3,472,315.

The value of boots and shoes exported by Canada during the year ended March, 1924, more than doubled the value of Canadian boots and shoes bought by other countries during the preceding year. Last year the exports were valued at \$304,913, and for the preceding year at \$130,624. The United States was the chief buyer, taking 2,227 pairs, with Japan second, taking 1,628 pairs.

Concluding her round-the-world cruise, the palatial Canadian Pacific steamship "Empress of Canada," docks at Vancouver on May 24th. Reports indicate that this four-months' pleasure voyage under the genial care of Captain Robinson, hero of the Japanese disaster, has been a splendid success, the passengers being loud in their declarations of satisfaction.

During the fiscal year ending March 31st, 1924, Canada imported goods to the value of \$893,335,491, an increase of \$91,000,000 compared with the previous similar twelve months, while she exported \$1,045,141,656, an increase of about \$10,000,000. The total trade increased in that twelve-month period by about \$210,000,000, compared with the corresponding period a year ago.

It is expected that negotiations between the British Government and the Province of British Columbia will lead to the settlement of several shiploads of immigrants from the British Isles in the province this summer. Each Government proposes to grant \$300, or \$600 in all, to each family and shelters will be provided them close to the sea, where they can engage profitably in their accustomed pursuit, fishing.

The itinerary of the personally conducted tour of the Canadian Teachers' Federation, en route to their annual convention to be held at Victoria, B.C., August 12th to 16th, has just been announced. Starting from Toronto, a special train for the teachers will proceed west by Canadian Pacific Railway, halts being made at Western Canada's chief points of beauty and interest. It is expected that about 150 will make the trip.

That Sweden is capable of sending 25,000 men to Canada as immigrants yearly was the statement of Otto Elander, prominent Swedish editor, when in Montreal recently. Mr. Elander is touring Canada with the object of studying conditions as they exist in Sweden, settlements here and reporting upon them to his fellow-countrymen desirous of immigrating to this country.

CHEVROLET

A Canadian Car for Canadian Conditions

FEW cars can boast of being so thoroughly Canadian-made as Chevrolet. With the exception of certain essential motor car accessories not now made in Canada, Chevrolet cars are built, not merely assembled, in Canada.

Motors, axles and other heavy parts are made in the mammoth General Motors plant at Walkerville; while body-building, top-building, small-parts making, assembling and finishing is done at Oshawa.

Hence, every dollar you pay for Chevrolet helps build up a strong Canadian industry that is giving employment to thousands of Canadian workmen.

There are many other reasons, moreover, why you should investigate Chevrolet.

Chevrolet stands up, winter and summer, under Canadian conditions of road and climate—and delivers quality transportation at a lower cost per mile than any other car.

And Chevrolet price, though it is much lower than you would expect to pay for a car so fine, is the full cost of the car and its equipment—there are no extras to buy.

Before you buy a car at any price, have us demonstrate the superior features and equipment of Chevrolet.
