

HONORED ON HER BIRTHDAY

Mrs. J.K. Shum was tendered two little surprises last week on the occasion of her birthday when on Wednesday night the Lady Macabes, of which she is a member, surprised her at her home and wished her many happy returns of the day coupled with a suitable remembrance.

On Saturday evening a number of her intimate friends also surprised her and presented her with a lovely gift. On each occasion a few social hours were enjoyably spent followed by dainty refreshments.

OPEN MEETING TONIGHT

There will be a general meeting of the Citizens Liberty League in the Town Hall tonight commencing at 8 o'clock when it is hoped all sympathizers of the League will be present. Mr. and Mrs. F. Kelly of Stratford have returned home after a pleasant visit of several days with friends in town.

Rev. E. Boekelman was in Linwood yesterday where he conducted anniversary services.

BASEBALL. On Saturday afternoon the Rexalls finished their last game of baseball for the season with the Waterloo College—the score being 2 to 1 in favor of the Rexalls. Clarke twirling for the Rexalls, pitched almost airtight ball, allowing but 1 hit, while Howard pitching for the Waterloo College allowed but 4. The game was witnessed by a fair sized crowd.

Batteries for Rexalls: Clarke and Kalfelneih; for Waterloo College: Howard and Baetz.

KENNEDY FIT AND READY. "Irish" Kennedy the local boy who boxes Eddie Baker of Buffalo at the Kitchener Auditorium on Wednesday night, is fit and ready for the bout and is confident he will get the decision over his American adversary.

If looks are any indication Kennedy is sure in the pink and his many followers look to him to uphold his reputation as one of the best exponents of the many act at his weight. That the bouts are going to be a success there is no doubt as already the advanced sale is beyond all expectations. Eddie "Mac" is leaving no stone unturned to make the exhibition the best that has ever pulled off in Western Ontario.

COTTAGES BEING ERECTED AT PARADISE LAKE. Paradise Lake will one of these days become a real summer resort. A visit to the lake yesterday revealed the fact that a number of Twin City residents are erecting summer cottages and will make them their permanent home during the hot summer months. The spot is ideal, is handy to the City and the view over the lake all that could be desired. We are not at liberty to mention the names of the gentlemen who are interested in building summer homes at the lake but from present indications they are going to be up to date in very respect. There will be electric light to cheer the surroundings and everything which makes for comfort will be installed. The work has only been under way a short time but it is confidently expected the foundation and walls will be completed before next spring.

PERMANENT ROAD NEARING COMPLETION. The permanent Road above St. Jacobs, while not completed it is expected to be so in the course of a week or two. The road would have been completed some time ago had the contractors not been held up in getting Cement.

The weather has been of the best for work of this kind and had the

WOULD INVITE AID OF GERMANY TO PROMOTE PEACE

International Committee of the World's Alliance Passes Resolution to This Effect. The Hague, Oct. 5.—The International Committee of the World Alliance to promote friendship through the churches, after a four days session ending yesterday, adopted resolutions favoring the admission of Germany to the councils of world activities.

One resolution urges the League of Nations to admit "every nation that desires inclusion and accepts the covenant of the League." Another urges equality in the race treatment of all nations in the League. Still another recommends an alliance of National Councils to enter into communication with the leader of the Labor and Socialist movements and work toward international brotherhood.

The committee went on record in opposition to the Peace Conference decision against German missionaries and urged the immediate resumption of German missionary work.

At a prayer meeting held on the last day, one of the Berlin delegates, Dr. Friedrich, surprised those assembled by the statement that Germany was morally wrong in invading Belgium.

Twelve nations were represented at the conference.

MONTREAL REPORT ON A BIG MERGER

ERRONEOUS INFERENCE THAT LOCAL COMPANY IS INVOLVED. The Financial Post Montreal in an article on a mooted merger of paper and collar manufacturing plants, the name of a local Company, the W.G. & R. is mentioned. Enquiry of the company today by the Record elicited the information that there is no foundation for the report. The local Company is concerned, was circulated without authorization or any justification was pointed out to the Record and appears to have been a matter of surprise.

The Post's article is as follows:— "In the minds of many the strength of 'Tooke Bros.' common, which passed 70 this week, does not rest entirely on the probability of a 6 per cent dividend early next year. The air is full of talk of a merger and the report most current in Montreal this week was that Cluett, Peabody & Co. were endeavoring to effect a merger with the Montreal-based Cluett, Peabody started manufacturing in Canada a few years ago at St. John's Quebec, as a branch of their big plant at Troy, N.Y., which employs over 10,000 hands, and is reported to be the largest factory of shirts and collars in the world."

The Financial Post shows that the company of late has been steadily turning down orders owing to their not being able to increase their number of employees in that locality. On this account, it is understood that they have been on the lookout for another factory in a different centre that they might utilize to increase the output of their own lines. One who is in close touch with this company's business pointed out that Tooke Bros. are in precisely the same position—turning down orders—and that a merger would not increase the capacity of Cluett, Peabody's for their own customers. However, the rumor persists strongly. Another firm that it was suggested was being taken in was W.G. & R. of Kitchener.

Canny Finance. A man from the north of Scotland was on holiday in Glasgow. On Sunday evening he was walking along Argyle street when he came upon a contingent of the Salvation Army, and a collection-bag was thrust in front of his nose. He dropped a penny into it.

"Gna, na!" he said. I gied a penny for a squid o' your folk roon' the corner 'neath the moon."

"Really?" said the lass. "That was very good of you. But then, you can do a good thing too often. And besides, you know, the Lord will repay you a hundredfold."

"Aweel," said the cautious Scot, "we'll just wait till the first transaction's finished before we start the second." London Tit-Bits.

Special subjects were spoken of at King street Baptist church at both services. These were "Christ's Challenge to Delinquent Followers," and "come reasons why I am not a Christian."

The speaker was the pastor, Rev. P. C. Cameron.

Rev. S. W. L. Harton of Waterloo, preached in Trinity Methodist church yesterday morning and Rev. Ernest Thomas of Toronto in the evening. When the subject was "The New World is God is Making and our part in it." The United National Campaign was given a splendid impetus.

M. Nye of the U.S. Secretary-General's department, Lieut-Col. P. N. Noof, Lieut. Baron Goffinet, Rear Admiral T. Long, U.S. Master-Gen. J. M. Wright, Colonel Chas. Herman Patterson, Major W. W. Hofman, G. Cornell Tarten, of the U.S. State Department, Brand Whitlock and wife, Baron d'Carier, Belgian Consul.

After the reception on the International bridge, the party motored to the home of the chairman of the Victoria Park Commission, Dr. H. Y. Grant, where a splendid view of the falls was obtainable. The party was arranged as follows: First Car: H.R.H. the King, Hon. N. W. Rowell and Dr. Grant; Second Car: H. M. the Queen, Mrs. Brand Whitlock and Mrs. Rowell; Third Car: the Belgian Ambassador, Sir Jos. Pope, Major-Gen. Elmley and Countess Chimay; Fourth Car: Prince Leopold and Brig-Gen. Hill; 5th Car: General Baron Jacques, Major General Wright, Brig-Gen. Mitchell.

Following the visit to the Islands at the suggestion of the King, the party took the Maid of the Mist trip before proceeding to the Canadian side.

ADMIRABLE HORSE SHOE FALLS. NIAGARA FALLS, N.Y., Oct. 6.—King Albert of Belgium with Queen Elizabeth, and their eldest son, Prince Leopold, arrived from Boston at nine o'clock this morning and after viewing the American Falls, crossed over about noon to the Canadian side where they were met by Hon. N. W. Rowell, Sir Joseph Pope and others representing the Government of Canada. The royal party were later in crossing to the Canadian side than expected because King Albert insisted upon showing his horse points of interest viewed by him on his visit years ago but which officials had omitted from the program.

Canadian authorities were notified only on Sunday of the intention of the royal party crossing to Canada. The visit was purely informal and no formal speeches were made. On meeting the Canadian reception party at the middle of the bridge, King Albert exchanged greetings with Mr. Rowell and expressed pleasure on visiting country of so many brave fellows who had fought for Belgium and the liberty of the world. Party remained about an hour and drove about park greatly admiring the wonders of the Horse Shoe Falls.

DR. COMANT ON SUNDAY. The meetings at the Benton St. church were well attended, the house being crowded to its capacity in the afternoon and evening. The evening address was on the subject, "The Unpardonable Sin." This was one of the most powerful and convincing addresses ever given in one of these conferences. He said: "The Unpardonable Sin is not a single sin, committed in an instant of time, but the last in a series of sins, which culminates in an incurable state of heart. It is saying 'No' to the invitation to come to Christ once too often. He proved his statements by passages read from scripture indicating the incurable state of the heart and that sin is unforgivable."

The preacher said, "You cannot fool with God and then get away with it." The most dangerous thing one can do is to reject the salvation that is freely offered to every man.

The singing was a strong feature of the meeting. This evening the topic will be: "A Crazy Man in the Graveyard."

Mr. B. Anderson and Miss P. Shantz motored to Hamilton yesterday.

SMILE OR TWO. A Job Well Done. An old sailor approached a farmer for a meal one day, saying he was willing to work.

"I will give you a meal," said the farmer, "if you will round up those sheep on the common there and drive them into this fold."

In three hours time the sailor came back looking hot, but happy.

Balancing over the gate in the field the farmer saw the sheep safely in the fold. "There's a hare sitting up among 'em," he exclaimed.

"Do you mean a little fellow there?" asked the sailor. "Why, that's the little beggar who gave me all the trouble. I thought it was a lamb."

The issues were put before the electors by the candidate, namely, Ald. Amussen, Reeve Jansen of Waterloo Township and Mr. W.D. Euler, M.P.

The interest in the political questions and the discussion of the current problems indicate that the electors of New Germany and district are giving the issues careful consideration.

GREAT STRIKE IN BRITAIN WAS SUDDEN

Present Wage to Continue 12 Months. London, Oct. 1.—With dramatic suddenness in the quiet of the London Sunday afternoon, it was announced that a knot of people waiting in Downing Street that the great railway strike, which appeared to have brought the country almost to the brink of revolution, was settled, and that the strikers would resume work as quickly as possible.

The terms of the settlement are in the nature of a compromise. The National Union of Railwaymen agrees to call off the strike, and the Government consents to a renewal of the negotiations, the continuance of the existing wage scale for another year, instead of six months, as previously offered, and the establishment of a minimum wage of 51 shillings while the cost of living is 110 per cent. above the pre-war level.

The settlement was the result of a long conference to-day between a Trade Union delegation, including representatives of the Railwaymen's Union, and Premier Lloyd George and Andrew Bonar Law in the famous conference room in Downing Street. Prior to this there was a Cabinet meeting.

It is conceded on all sides that the settlement is the outcome of the moderate but determined efforts of the executive of the Transport Workers' Federation and men like Arthur Henderson and John Robert Clynes, who throughout have set their faces steadily against the idea of a sympathetic strike until every possible avenue of mediation had been explored.

"Honorable Settlement." James Henry Thomas, secretary of the National Union of Railwaymen, said:
