Arthur Lyman

WANTED

150 lbs. White Spruce Seed
(Picea Canadensis)

LINCOLN WOOD PULP CO.

Box 923 BANGOR, MAINE

LUMBERMEN ATTENTION!

Investigate our new patented towing and holding boom. Will save its cost many times over in preventing logs going adrift while being towed in open water, or for booming swift running rivers where logs are held.

A. E. LOOSEN,
BATHURST NEW BRUNSWICK

HIBBERSON BROS.

Forest Engineers and Surveyors

Cruising, Mapping, Logging Costs, Flumes,
Rogging R.R's.

Appraisal on Timber Holdings for Banking
Interests a specialty.

Information on B.C. Timber supplied at low cost.

Fifteen years experience cruising
