

How much
off color are
you?

Enough to
be grouchy
and Spring
feverish?

At work
every day
yet feel like
laying off?

How about
a bottle of
Nature's
Aperient?

Pleasant to take.

Easy on stomach.

Mild in action.

The very best thing
you could take at
this season.

St. Leon Santé Concentrate is made at the springs in St. Leon, Quebec, directly from the water as it flows—nothing added.

St. Leon Santé Still Water, which is nice and good to drink at any time, as well as St. Leon Santé Mineral Salts (Effervescent), may be had from any dealer or direct from us.

Observe the word Santé on each bottle and package. It means "bottled at the springs only."
