

Dearest Frosh.....,

Well this is it!! After all of the letters you have received from the Registrar's Office, you're finally getting something that tells you what's really going on during Orientation '91.

Your first year at UNB will be the most important one in developing your attitudes and goals of your university career. As well, it is where and you will make the friends you will keep for the next 40 to 50 years. In taking part in UNB Orientation '91, you will become an expert with regards to UNB through a variety of group meetings, social events, academic advising, social events, and many more SOCIAL EVENTS. One of the most mistakes you can make is to sit around and watch Frosh Week go by because it only happens once.

Let's see you get out of your seat and take part in the #1 Orientation Program in North America (we have the credentials to back that statement up'), with over 1,500 others whom are just as excited and nervous as you are. Remember, it is ORIENTATION not initiation - so let us guide you through the jungle that we've come to know and love as the University of new Brunswick - it's your school now too.

Come on, be a part of it, let's spend the week together, meeting and greeting each other as we learn new things during ORIENTATION '91. WELCOME TO THE JUNGLE...WE'VE GOT THE FUN AND GAMES!!!

in the SUB

x-el-A-fone-EE-Fobee-a; this noun describes an illness prevalent amongst some incoming first year students to UNB. It has been found that this illness, the fear of having a fun-filled most triumphant time, is almost instantly cured by coming to UNB. Fortunately, 1991 is the year where Orientation scientists introduce the cure they have worked years to develop - Quasikryptonite. This is a TOP SECRET code for guaranteed good times, parties and great friends.

On the Blue Lounge level, it's time to get into the gambling spirit and come and try to win as many prizes as you can at the Monte Carlo-type casino. Don't worry, you only gamble with mock (fake) money so there's nothing to lose. The "EXTRAVAGANZA", which is the Orientation committee's debut at holding an event on all three floors, will certainly get the weekend started with an EARTH-SHATTERING KABOOM!
