The Rt. Hon. Arthur Meighen P.C.
The Senate
Ottawa. Ont.

Dear Mr Meighen:

I wish to thank you for the kind interview you granted me last week, and your valuable suggestion for me to see Mr Tom Moors of the Trade and Labour Congress of Canada.

I had the pleasure of seeing this gentleman on Friday, and he informed me, that should he be invited to join the Unemployment Insurance Commission he would have to decline it, as he did the offer of Minister of Labour.

However he said that he would no doubt be requested to name a Labour representative, and should one be appointed, he would bring my name to his attention, as he considered with my long Insurance experience, that I should be very useful to such a Commission.

Again thanking you. I beg to remain

Yours sincerely,

R.W. Marshall
