

Sir,-

The desire of the Department remains as stated in letter of the 15th instant, and is that all possible steps be taken for the conviction of those who are selling liquor to the Indians in your Superintendency. From other sources it has come to appear that <sup>as</sup> I have no doubt you are aware intoxicants are being too freely obtained by Indians along the coast of the Georgian Bay.

Acting Deputy Superintendent General  
of Indian Affairs

D. J. McDonald Esq  
Indian Superintendent  
Parry Sound. Ont.
