Ottawa June 26, 1911

Sir-

The Department is informed by the Rev. Mr Matheson Principal of the Battleford Industrial school that he received a letter from you stating you expected to send back Maltese Wilson pupil No. 184 of that school in the near future. The Principal suggests that possibly you might be able to return the following pupils:-

No. 181 Cornelius Signall

No. 182 Peter Signall

No. 0110 Mary Ann Budd

No. 0120 Maria Highway

No. 0123 Catherine E. Stewart

As these pupils were allowed out last summer on leave they ought to be returned. As the Rev. A. French, the Church of England Missionary at the La Poudre will be going to Battleford soon, he could take them with him and English transport for the pupils returning with him.

Your obedient servant

Asst. Deputy and Secretary
