Dear Sir -

I have your letter of the 1st inst., in reference to the Cape Croker cattle. I am sorry that the branding did not turn out satisfactory. I do not think that it would be advisable to rebrand them ^{at} this time. It would probably be better to take your suggestion and place gates on the road so that they cannot stray from the reserve.

You may dispose of the bull on the best terms possible and remit the proceeds to the Department. It is presumed that you will be able to get rid of him to good advantage.

Yours very truly,

Assistant Deputy and Secretary
