Ottawa, March 3, 1920

Sir,-

The Department is informed that you are neglecting to send your son, Joe Cooke, regularly to school.

I have, therefore, to inform you that if you do not see that your son attends school regularly the Department will be compelled to take action under the Regulations Relating to the Education of Indian Children and have him committed to a residential school. You yourself are liable to fine or imprisonment if you neglect, after receiving this notice, to see that he attends school each day it is open and that he remains there during the regular school hours.

It is hoped that you will heed this notice and that there will be no need to take action as mentioned above and that you will see that your son attends school regularly each day in future.

Your obedient servant

  
Assistant Deputy and Secretary

Mr. Jake Cooke,  
St. Regis,  
QUE.
