

The President's chair, made of wood from Barby Church, in Northamptonshire, England; the Niagara chair, of wood from the Navy Hall Building, Niagara, the first Government House of the Province of Upper Canada, and the residence of Gen. John Graves Simcoe, the first Governor. The Scorpion chair, from wood of the man-o'-war at Penetang, and the Government chair from wood of Government House, Toronto, are all of the design shown in the above picture.
