The Bad Cold of To-day May Be Pneumonia To-morrow.

The Sore Throat or Tickling Cough that, to the careless, seems but a temporary and trivial annoyance, may develop into Bronchitis.

Every hour delayed in curing a cold is dangerous.

Dr. Wood's Norway Pine Syrup

contains all the lung-healing virtues of the pine tree, and is a sure cure for Coughs, Colds, and all throat and lung troubles. Miss Bertha E. Craig, Almont, Ont., says: "Last fall, for over two months, I had a very bad cold, and although I tried several remedies, it seemed as if I was getting worse instead of better. While looking over the Burdock Blood Bitters Almanac, I read about Dr. Wood's Norway Pine Syrup, and decided to give it a trial. When I had used about half a bottle, I found it was doing me good, so kept on until I had taken two bottles. It is the best cure for a cold I ever heard of."

Price 25 cents per Bottle. THE T. MILBURN CO., LIMITED, TORONTO, ONT.

Gladstone's Unpopularity. Gladstone was not beloved. He was an institution. How can one love an institution? A member told me that he asked another Liberal why he disliked Gladstone. The reply was, "Oh, he is always so in the right!"—From M. D. Conway's "Autobiography."

THE TONIC OF HEALTH. Must be more than a stimulant—must be a food as well. There is one medicine that is both a food and a tonic—it aids digestion, promotes assimilation, converts food into nutriment that builds up nerves, blood, brain and bone. That tonic is Ferrozone, which contains exactly what a run-down system needs. Ferrozone supplies oxygen to purify the blood, phosphorus to develop the brain, iron to harden the muscles. No wonder it makes such vigorous men and women. You'll eat, sleep, think and feel better by using Ferrozone; try it—now. Fifty-cent boxes of fifty chocolate coated Ferrozone tablets, at all dealers.

Candid. Mr. Popinjay—How do you like my acting at our dramatic entertainment? Lady Critical—Well, I don't think you made the most of your opportunities. Mr. Popinjay—You don't think so, eh? Lady Critical—No. You had several opportunities to get off the stage much sooner than you did—London Opinion.

AN AMERICAN DISEASE. Some doctors go so far as to say that indigestion is the national disease of America. There is but one national remedy for indigestion and that remedy is Dr. Hamilton's Pills, which regulate the action of the gastric glands and give tone to the digestive organs. They strengthen the kidneys and liver, cleanse and purify the blood and thus add general tone to every organ of the body. Flesh and strength are fast restored and the patient can eat and digest any food he pleases. Test Dr. Hamilton's Pills yourself—25c. per box or five boxes for \$1.00 at all dealers.

Unreasonable. "John," said the bargain hunting half of the matrimonial trust as they sat at the breakfast table, "I wish you would let me have \$20 this morning." "My dear," replied the meek and lowly husband, "I wish you would break yourself of the habit you have of dreaming that I married an heiress."

BEWARE OF OINTMENTS FOR CATARRH THAT CONTAIN MERCURY.

As mercury will destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally, and made in Toledo, Ohio, by F. J. Cheney & Co. Sent by mail free. Sold by Druggists. Price 75c. per bottle. Take Hall's Family Pills for constipation.

DRESS AND FASHION

PRACTICAL SUITS AND HATS FOR GENERAL SPRING WEAR.

Materials and Cut in Tailor Gowns Both Tempt to Immediate Acquisition—Smart Little Coats and Skirts to Match—A Useful Hat.

The "new spring suit" has come to be quite as important a matter to women as to men, and the lovely materials of the present season—delicate grays, blues and cream, splashed with soft colorings—inspire one to immediate purchase. There are hopsacks, cool light tweeds in neutral tones and serges expressed in the latest shades of puce, pervenche and mignonette, all built in coat and skirt style.

In smart and simple mode is the little coat here pictured of biscuit colored tweed, the coat close fitting at the back.

NEW SPRING SUITS.

while the loose fronts are provided with long revers faced with pastel cloth, which can be worn open or closed. Well pressed plaits and neat stitching bring the skirt into harmony with the coat.

Gobel blue hopsack has an attractive sound, and this is made a realization in the second pictured model. The skirt in this instance is long and full, with tuckings on the hips and at the back. A collar of pale blue taffeta fashionably elaborates the little coat and, in company with the sleeve, is finished with a dainty knitted frill of the same and a narrow braid of white, blue or gold.

The advent with the summer of an embroidered muslin coat trimmed with velvet and other embroideries and valencienne lace is prophesied. This coat of course goes direct to the cause of the disease—that's why it's so dead certain to cure. It stops the cough, prevents that disgusting discharge, clears phlegm out of the throat in five minutes. Very pleasant, and safe too; get Catarrhose from your druggist today.

A "WHEEZY" CHEST.

Means your trouble is deep seated. To delay is dangerous. All the inflammation will be drawn out in one day by applying Nerviline. It penetrates through the pores of the skin, relieves inflammation and thus prevents serious consequences. For sore throat, weak chest and tendency to colds, no prescription is better than Polson's Nerviline. For nearly fifty years it has been Canada's great household remedy. Twenty-five cents buys a large bottle.

Gravity—the body's wisdom to conceal the mind.

"Have by some surgeon, Shylock, on thy charge, to stop his wounds lest he do bleed to death." People can bleed to death. The loss of blood weakens the body. It must follow that gain of blood gives the body strength. The strengthening effect of Dr. Pierce's Golden Medical Discovery is in large part due to its action on the blood-making glands and the increased supply of pure, rich blood it produces. It is only when the blood is impoverished and impure that disease finds a soil in which to root. The "Discovery" purifies the blood and makes it antagonistic to disease. When the body is enfeebled, the lungs are weak, and there is obstinate cough, "Golden Medical Discovery" puts the body on a fighting footing against disease, and so increases the vitality that disease is thrown off, and physical health perfectly and permanently restored. It has cured thousands who were hopeless and helpless, and who had tried all other means of cure without avail.

Thirty-one one-cent stamps to cover expense of mailing and customs will obtain a copy of Dr. Pierce's Common Sense Medical Adviser, 1008 pages, in paper cover. Send 50 stamps if cloth binding is preferred. Address Dr. R. V. Pierce, Buffalo, N. Y.

HE FEELS AS YOUNG AS EVER

Mr. Chester Loomis Took Dodd's Kidney Pills.

And from a Used up Man he Became as Smart as a Boy.

Orland, Ont., April 17.—(Special).—Mr. Chester Loomis, an old and respected farmer living in this section, is spreading broadcast the good news that Dodd's Kidney Pills are a sure cure for the Lame Back and Kidney Disease so common among old people.

Mr. Loomis says: "I am 76 years of age and smart and active as a boy, and I give Dodd's Kidney Pills all the credit for it."

"Before I started to use Dodd's Kidney Pills I was so used up I could hardly ride in a buggy, and I could not do any work of any kind. Everybody thought I would not live long. Dodd's Kidney Pills are a wonderful remedy."

The Kidneys of the young may be wrong, but the Kidneys of the old must be wrong. Dodd's Kidney Pills make all wrong Kidneys right. That is why they are the old folk's greatest friend.

You know at least one of them had Consumption. At first it was only catarrh—but it was neglected. When "Catarrhose" cures so quickly it's foolish to suffer—it's a shame to keep on sniffling and hawking. Catarrhose goes direct to the cause of the disease—that's why it's so dead certain to cure.
