

Parties erecting houses or scaffolding, moving houses or cutting trees, must on no account interfere with the wires, poles or boxes. By leaving notice at the nearest Fire Station, all necessary alterations will be promptly attended to. Citizens will confer a favor by immediately reporting at the nearest Fire Station any break or damage to the line or boxes.

Directions for counting the signal on the bell when a box is pulled:

Suppose box 34 is pulled, you do not get 34 blows on the gongs or bell, but first you get three distinct blows, which will represent the tens or 30; then a pause of five seconds, when four blows will be given representing the units, or four, thus: 111-1111-34.

Single numbers up to nine, are struck consecutively or continuously, without any break, until the whole number is given. The number of the box pulled will be repeated four or five times with an interval between.
