

Now, is it according to the ethics of the profession for a Surveyor to certify to plans of a survey of a block of land nearly a thousand miles away, *which he has never seen*, and plans of subdivision of which have been got up in an architect's office? Pray have this question ventilated. Pardon my troubling you, and believe me always,

Yours most sincerely,

Sault Ste. Marie, February 18, 1888.

JOS. COZENS.

RESOLUTION ON THE DEATH OF H. H. STEPHENS,
OF OWEN SOUND, ONT.

Resolved, as it has pleased the Great Architect of the universe to remove from amongst us by death our professional brother, Mr. Haldane Hincks Stephens, that at this, the first meeting of our Association since the sad event, we wish to put on record our sympathy with the family of our departed comrade, of whom it can be said, as when the time of our departure comes may it be said of all of us, "He strove to do his duty."

Carried.
