

cent pieces, which he has from year to year distributed at this season among the boys.

The kindness of Mr. Robert Kilgour to his associates in the Sunday school is still continued, also that of Mr. S. B. Brush in connection with the musical department; and Miss Cowan has labored most efficiently in the day school, to all of whom the Board desire to express their gratitude.

An invitation is cordially extended to all who are interested in the welfare and success of the Boys' Home, to visit the Institution, such visits will be much appreciated as an evidence of good will, and an encouragement in the labor.

In conclusion, the Board of Managers would express their devout thankfulness to the Giver of all good, for the many blessings of the past, and desire continued guidance and grace in the future.

BELLA P. NELSON,
Secretary.

The Treasurer's report, which will be found annexed, was then read by Hon. G. W. Allan.

MEDICAL REPORT.

In presenting the 31st Annual Report, it affords the medical officers great pleasure to inform the patrons and managers of the Institution that no deaths have occurred during the past year. Bronchitis and sore throat of a troublesome nature has been more or less prevalent. The scalp disease mentioned in our last report is almost banished from the Infirmary, only four cases now remaining under treatment. It may not be amiss to refer to the small mortality amongst the inmates of the Home since it
