Primary Quarterly for Little Folks.

Dear Children :

+

Our Golden Text for this quarter is-" Let your light so shine before men, that they may see your good works and glorify your Father which is in heaven." There are many kinds of light,-candle-light, lamp-light, gas-light, electric-light, sun-light, but it is not this kind of light that is meant in the Golden Text. It is the light of a beautiful character that we should let shine, so that others may see i'. If it were not for God's Word we would not know what a beautiful character is. The Bible-God's Word, teaches us how to live. Our Golden Text for the first lesson of the Quarter is -- " The entrance of thy words giveth light." We are going to learn all this Quarter about the light which God's Word teaches us should shine out from our lives.
