a manuna manuna **HOLSTEIN-FRIESIAN NEWS** 

Farm and Dairy is the official organ of The Canadian Holstein-Friesian Association, all of whose members are readers of the paper. Members of the Association are invited to send items of interest to Holstein breeders for publication in this solumn.

.....

(1 have no barn) and I have an smart copy of of Doutlas Korndyke in my two-lease of hell. Asother item in Farm and Dairy and the second hell. In the second help, and the second hell is the second help of the research of the second help of the research of the best strain of Help research of Duited States. I did not pay much attention to this remark at the trending the second help of the second help of research of the second help of the research of the second help

### U. S. DEMAND FOR CANADIAN HOLSTEINS

C.8. DERARD FOR CARADIAN BOLSTEINS Editor: Farm and Dairy.-I have heard to store the second second second second registered in the American Herd Book, that they would not buy then from us anyway. Now it does not look that way to me, and at the proof of the pudding is in the east in the second of the pudding is in the east and the proof of the pudding is in the east of a proof of the pudding the second second second in the second of the pudding is in the east in the second of the pudding is in the east of a proof of the second second second proof bulks fit for service, all registered prices are good. The second second second crows is more than the highest price pudd or anything at the recent Childran the pudde seed that I could make seme Canadian and.

# THE LATE PONTIAC KORNDYKE

THE Korndyke family of Holsteins is the most sought after

¶ Pontiac Korndyke is the only sire to have 3 daughters with records above 37 lbs. each, or 4 above 36 lbs. each.

The has as many 30-lb. daugh-ters as any other 2 sires, and, barring Hengerveld De Kol, as many as any other 3.

Offers a splendid son of Rag Apple Korndyke, the young bull we recently sold for \$5,000.00, and out of a 24-pound daughter of Pontiao Korndyke (record made as

Garde under this head inserted as an end and the set of the set of
