

Pulls Stumps or Standing Trees.
Clears a two acre circle with one sitting—pulls anything the wire rope will reach; stumps, trees, grubs, rocks, boulders, etc. A man and a boy with one or two horses can run the

COMBINATION STUMP PULLER,
Stump Anchored or Self Anchoring.
A minute and a half is all it takes for the ordinary stump. No heavy chains or rods. Note the strong wire rope with patent coupler—grips the rope at any point. Does not chafe rope; far ahead of old-style "take-ups." Smallest rope we furnish stands 40,000 lbs. strain. It generates immense power and it's made to stand the strain. We also make the Iron Giant Grub and Stump machine, the I. X. L. Grubber and Hawkeye Grub and Stump Machine. Write for free illustrated catalogue.
Largest manufacturers of Stump Pullers in the World.
Established 1884.

GOSSIP.

WM. STEWART & SON'S AYRSHIRES.

Genial Willie Stewart, of Menie, Ont., needs no introduction to readers of "The Farmer's Advocate"; neither does his herd of 40 head of high-class Ayrshires need any words of praise in these columns.

For years this well-known herd has been exhibited at the leading Canadian shows, and have always won their share of the coveted honors. To-day, in their comfortable new stables, they are in prime condition, many of them milking very heavily.

The stock bull, Rob Roy, by Kitchener, by Imp. Comrade of Gar-

laft, dam Edna, with a milk record of 55 lbs. of 4% milk, by Castle Douglas, is in grand fettle; his show record is one almost unbroken record of successes; his granddam has a milk record of 65 lbs. of 4.03% milk per day. Rob Roy is a typical bull of the breed, being so richly bred and of such grand individuality, and, as might be expected, he is a sire of a high order, and his get are in active demand.

In young bulls there are several, one of which is a yearling, by the stock bull, and out of a two-year-old heifer that gave 10,800 lbs. of milk in one year. She has lately been sold to J. P. Roberts, of Pennsylvania. Another is a yearling, by the great show bull, Hover-a-Blink, and out of a cow that gave 8,000 lbs. of milk in nine months.

Still another is a nine-months-old bull, by Rob Roy, and out of another cow that has given 8,000 lbs. of milk in nine months. Lately Mr. Stewart has purchased a prospective herd-header, Queen's Messenger of Spring Hill, by Imp. Lessnessock King of Beauty, champion at Toronto, 1905, and out of Imp. Gar-

claugh Queen of Soncius, also champion at Toronto, 1905. He is a grand calf, and should be a great sire. Mr. Stewart can supply a few females of any age. They are a high-class lot and richly bred, and are producers or bred from producers of a high order.

JAMES A. COCHRANE'S SHORTHORNS

One of the oldest established herds of Shorthorns in Canada is "Hillhurst Herd," the property of Mr. James A. Cochrane, of Hillhurst, Quebec, containing at the present time about 50 head, very many of them being imported, and all bred very close to imported sires and dams. They represent many of the most noted Scotch and English families, and are an exceedingly large, heavy-fleshed lot; and what is of even greater importance, they are mostly heavy milkers. The main stock bull is Broad Scotch, by the Missie bull, Scottish Hero; dam Imp. Butterfly 49th. He is a bull of modern type, short legged, carrying a wealth of flesh very evenly put on, is a very soft, mellow handler, and as a sire he will certainly leave a name behind him. His lieutenant in service is Golden Carol, by Golden Drop Victor (imp.); dam Imp. Caroline 13th. He is a very thick, heavy-fleshed youngster, and should prove an extra good sire. Prominent among the many good cows we noticed Lady Ingram of Hillhurst, a cow of great substance and scale; Ruby of Pine Grove 4th belongs to the noted Brawith Bud tribe. She is another very large, thick cow, and has a four-months-old bull calf, by the bull Missie Champion, a son of Mr. Edwards' \$8,000 cow, Missie 153rd. This young bull is an extra good one, and will make a herd header of a very high order. Lovely of Pine Grove 3rd, by Village Champion, is a two-year-old, a show heifer of the first rank, and is now in calf to the young stock bull, Missie Maid 2nd, by Imp. Marquis of Zenda, is a roan, two years old, safe in calf, and an extra nice thick one; Pine Grove Mildred 9th is another roan, two years old, got by Imp. M. O. Z.; Bessie of Pine Grove 2nd, another two-year-old daughter of M. O. Z., and Ruby of Pine Grove 5th, by the same bull, is still another two-year-old. All these heifers are in calf to the stock bull, besides about a dozen others, daughters of Imp. Joy of Morning and Imp. Scottish Beau, a rare good lot, out of such royally-bred cows as Imp. Frost 52nd, Hillhurst Diamond (imp. in dam), Alpine Beauty 2nd (imp.), Frost's Queen, Famous 5th of Hillhurst, etc. Practically anything in the herd is for sale—breeding cows, heifers, and a few young bulls—their breeding is gilt-edged, and their individuality is unsurpassed.

Fistula and Poll Evil

Do yourself what horse doctors charge big prices for trying to do. Cure Fistula or Poll Evil in 15 to 30 days.

Fleming's

Fistula and Poll Evil Cure

is a wonder—guaranteed to cure any case—money back if it fails. No cutting—no scar. Leaves the horse sound and smooth. Free Book tells all about it—a good book for any horse owner to have. Write for it.
