

# Men, I Have The Cure

For Nervous Debility, Varicocele, Rheumatism, Lame Back, Lumbago, Sciatica, any case of Kidney Disease that has not gone so far as Bright's Disease, Indigestion, Constipation or any Weakness, and

## I WILL ASK NO PAY

For a case which I cannot cure with my new improved Electric Belt, the marvel of electricians, the most wonderful curative device that has ever been introduced. The Belt is complete with Free Electrical Attachment.

This Electric Attachment carries the current direct and cures all weaknesses, Varicocele, etc. It develops and expands all weak nerves and checks a loss of vitality. No case of Falling Vigor, Varicocele or Debility can resist this powerful Electrical attachment. It never fails to cure. It is free with Belts.

No man should be weak, no man should suffer the loss of that vitality which renders life worth living. No man should allow himself to become less a man than Nature intended him, no man should suffer when there is at hand a certain cure for his weakness.

Most of the pains, most of the weaknesses of the stomach, heart, brain and nerves, from which men suffer are due to an early loss of nature's reserve power. You need not suffer for this. You can be restored. The very element which you have lost you can get back, and you may be as happy as any man that lives.

My Electric Belt, with special Electric Attachment (free), will restore your health. It will check all loss of vital power and affect every organ of the body. Most ailments from which you suffer can be traced to it.

I have cured thousands of men who have squandered the savings of years in useless doctoring. My Belt is easy to use; put it on when you go to bed; you feel the glowing heat from it (no sting or burn, as in old style belts), and you feel the nerves tingle with the new life flowing into them. You get up in the morning feeling like a two-year-old.

An old man of 70 says he feels as strong and young as he did at 35. That shows it renews the vigor of youth. It cures Rheumatism, Sciatic Pains, Lumbago, Kidney Trouble; banishes pain in a night, never to return.

I want no man's money if I can't cure him. There is no deception about this offer, either in making or carrying it out. All I ask is reasonable security that I will get my pay, and you can

# PAY WHEN CURED

Fred. J. Cutterbuck, of Brockville, Ont., says:—

"I have worn your Belt for thirty days. I am feeling fine, the best I have for years. My stomach is very much better, and my appetite has improved wonderfully. I can now eat a good meal and be satisfied, which I could not do before. I feel like a new man entirely."

James Hill, Brooks Station, Alta., writes:—

"It is with the greatest of pleasure that I now write you. I would have written before, but I wanted to give your Belt a good trial first. I have found it just as you recommended it to be. I will do all I can for you and your Belt in this part of the country. Wishing you and your company all the success in the world."

### GOSSIP.

The best-quality lambs sold for as high as \$8 per cwt. in Chicago last week, the range of prices being from \$4 to \$8, the majority selling at \$6.60 to \$7.65.

Mr. E. Goodwin Preece, live-stock exporter, of Cross Hill, Shrewsbury, shipped recently from Bristol, per Dominion Line s.s. Englishman, a valuable consignment of pedigree sheep, comprising specimens of the Lincoln, Wensleydale, Romney Marsh, Blackface Scotch and Hampshire Down breeds, which he had selected for Messrs. F. H. Neil & Sons, of Maple Avenue Stock Farm, Lucan, Ontario. The Lincoln ewes were purchased from Mr. R. Chatterton, of Steingot, and the ram lamb from Mr. J. H. Fean, of Heath House, Norton; the Wensleydales from Mr. T. Horseman, Richmond, Yorks; the Romney Marsh from Mr. H. Rigden, Eteburghill, Kent; the Blackface mountain from Mr. Macrae, Stenhouse, Dumfriesshire; the Hampshires from Mr. Hall, The Manor, Clipping Norton, and comprised first-rate specimens of each breed. These of these breeds at least, we understand, are at present unknown in America, and as the shipment was entirely of an experimental nature, it will doubtless lead to a demand for these breeds for that continent. Mr. Preece had also purchased some Shropshire ewes from Mr. Lewis, of Tryst, Llewellyn, and also Goodwin Preece, of Cross Hill, as their own stud at Maple Avenue.
