

COULD NOT GO TO WORK BACK WAS SO WEAK.

Backache is the primary cause of kidney trouble. When the back aches or becomes weak it is a warning that the kidneys are liable to become affected.

Heed the warning; check the Backache and dispose of any chances of further trouble.

If you don't, serious complications are very apt to arise and the first thing you know you will have Dropsy, Diabetes or Bright's Disease, the three most deadly forms of Kidney Trouble.

Mr. James Bryant, Arichat, N.S., was troubled with his back and used Doan's Kidney Pills, he writes:—"I cannot say too much about the benefit I received after using three boxes of Doan's Kidney Pills. I was greatly troubled with an aching pain across the small of my back. I could not go to work and my back was so weak I would have to sit down. It would go away for a few days but would always return. I was advised to try Doan's Kidney Pills and I must say they completely cured me."

Price 50 cents per box or 3 boxes for \$1.25 at all dealers or mailed direct on receipt of price by The Doan Kidney Pill Co., Toronto, Ont.

HIS PAINS AND ACHES ALL GONE

Dodd's Kidney Pills Cured Chas.
N. Cyr's Rheumatism.

Statement of a Man Who Suffered for a
Year from Different Forms of Kidney
Disease and Found a Speedy Cure.

New Richmond Station, Que., Dec. 21. —(Special).—In these cold fall days when Rheumatism, Sciatica, Backache and other Kidney Diseases are working havoc in every corner of Canada, thousands will be interested in the statement of Mr. Chas. N. Cyr, the well-known barber of this place.

"I had been a sufferer from Rheumatism and Backache for a year," Mr. Cyr states. "My head also troubled me and it was hard to collect my thoughts. I heard of cures made by Dodd's Kidney Pills and made up my mind to try them. The marvellous effect of the first box on my system at once raised my hopes, and by continuing to take them I am now a sound and well man. All my pains and aches are gone and I am able to do my work without pain."

Mr. Cyr is only one of thousands whom Dodd's Kidney Pills have cured of Rheumatism, Sciatica and Backache. For Dodd's Kidney Pills always cure sick or disordered kidneys. And if your kidneys are well you can't have Rheumatism, Sciatica or Backache.

QUESTIONS AND ANSWERS. Miscellaneous.

RIGHT TO CROP.

A owns a farm. B rents it for two years. He sowed wheat in the fall, as his time is out in the spring. A buys B's share of the wheat. C comes on the place in the spring for one year, when B leaves, and does not get or take any of this wheat. Now C sowed wheat last fall. Since that A has sold the farm to D.

What share does D get? Or can C take it all? N. E. B.

Ontario.

Ans.—The statement does not make the important dates at all clear, but assuming that it is the expected crop from the fall sowing of 1908 that is in question, we would say that D takes it, unless A, in making his agreement with D, reserved such crop for C's benefit.

HOLIDAYS FOR HIRED MAN.

A young man hires for eight months, nothing being said about holidays. How many holidays (and which are they) is he entitled to? FARMER.

Ans.—In the absence of agreement to the contrary, hired help in Ontario is entitled to all Sundays and to New Year's Day, Good Friday, Easter Monday, Victoria Day (May 24), Dominion Day (July 1), Labor Day (1st Monday in September), Thanksgiving Day, Christmas Day, and any other day or days proclaimed by the Governor-General or the Lieutenant-Governor as a public holiday. If, however, a hired man and his employer cannot arrange to do the work without resorting to the strict letter of the law, it is well that they cease laboring on the same farm.

It is understood, of course, that these holidays are to be taken subject to the doing of usual chores.

ECZEMA AND SCRATCHES.

1. Heavy draft horse has itchy legs both hind and front. Is cleaned daily, but keeps scratching against wall. He also has appearance of scratches below. What is the cure?

2. What would you feed a young team (working steady) with their oats, in place of bran, as it is dear and we have no roots?

3. Horses had mange in our stable a few years ago, and ever since we have had trouble with it. Would you advise whitewashing? Would it rub off on clothes? "JERRY."

Ans.—1. The symptoms are those of eczema, treatment for which is thorough washing of the parts first with warm soft-soap suds, then wash with a warm solution of corrosive sublimate, 40 grains to a quart of rain water. As the horse appears to have scratches also it would be good practice to first purge him with a ball consisting of ten drams aloes and two drams ginger, which your druggist will make up for you. Horse should be fed bran-mashes only for 24 hours before administering purgative and for same time after. After purgation ceases give one and a half ounces Fowler's Solution of Arsenic twice daily for a week. For scratches on heels and legs, apply warm poultices of linseed meal with a little powdered charcoal mixed, renewed every six or eight hours, then dress three times daily with a lotion consisting of 1 ounce each of sulphate of zinc and acetate of lead and 2 drams carbolic acid to a pint of water.

2. Feed with the evening meal a little oil-cake meal, say half a pound to the team to begin with, and mix with cut hay or straw or chaff.

3. Take one-half bushel of lump lime, slack with boiling water, make into a milk and strain through a fine sieve. Add to this a peck of salt dissolved in warm water, three pounds of rice boiled to a paste and stirred in while hot, half a pound of Spanish whiting, and one pound of glue previously dissolved in a glue pot over a slow fire. To this mixture add five gallons of hot water, stir it well and let stand for a few days where it will not freeze. This mixture is best applied hot, and a pint will cover a square yard. If a less quantity than above is required, of course the quantities of each may be cut in two or otherwise reduced. This wash will not rub off.
