My Best Investment

"Life has been a pretty strenuous game all through for me. Winning one day—losing the next, but on the whole, bettering my position all the time.

Some of my ventures were positively silly, but I didn't know that at the time they were made. Others were wiser moves than I knew, and the wisest of all were my investments in London Life Policies.

Those which have matured have surprised me greatly: The profits amount to considerably more than the Company promised. How easy it would be to write business for The London Life—if the public only knew!"

The London Life Insurance Company is one of the financial world's stables and most dependable concerns. Its methods are amazingly effective as well as economical. A London Life Policy, judged purely and simply as an investment, is just as
