GOSSIP.
 At the annual meeting of the American Cowsold Association, held at Chicago, Dec. 3rd, 1901, the Secretary-Treasurer's report showed receipts for the year amounting to \$1,495, payments \$1,417.68, a balance for the year of \$80.32, and a balance brought forward from 1900 of \$661.74, making a total balance on Nov. 23rd, 1901, of \$742.06. Officers elected were as follows: President, D. McCrae, Guelph, Ont.; Vice-President, D. B. Watt, Xenia, Ohio; Secretary-Treasurer, Geo. Harding & Son, Waukesha, Wis.

J. & W. B. Watt, breeders of Shorthorn cattle, Clydesdale horses, and Leicester sheep, Salem, Ont., write: "Business is brisk, plenty of sales, and the stock doing well. Among other recent sales was the two-year-old bull, Brilliant Star, to Mr. John Donnelly, Grafton, North Dakota. Brilliant Star is a heavy, well-bred bull, sired by Charles Dickens =2418=, first-prize aged bull at Toronto and London in 1900. His dam, Morning Star =20170=, is a large, thick-fleshed cow that should raise the best of bulls to breed from. To Mr. David Harrell, Austin, Texas, five heifers; and later, at Chicago, the young English Lady bull, Royal Hope, and Matchless 30th, both got by Royal George =28553=. To Mr. Robert Batty, Meaford, the bull calf out of Village Gem. To W. C. Edwards & Co., Rockland, Ont., the yearling Missie heifer, Lady Aberdeen 2nd. The other day we sold to Mr. John Leppington, Bredenburg, Assiniboia, the cow, Palmerston Daisy, and calf; two young heifers, a Matchless and a Stamford; two Leicester ram lambs, eighteen ewes, one young Clydesdale stallion colt, and two yearling fillies, all three registered. One of the fillies, Roseola, Montrave (3045), was the first-prize Canadian draft filly at Toronto Industrial and several other fairs, never being beaten as a yearling. To Mr. J. E. Meyer, Kossuth, the Matchless bull, Matchless Duke. These are some of the sales we have made this winter, and we have still on hand and for sale several registered ewes and lambs, a Mildred, an English Lady, a Missie and a Matchless bull, and a few females; also a registered brood mare."

Lake View Stock Farm lies in the County of Durham, about one and a half miles from the town of Cobourg, which is the firm's P. O. and R. I. station. The owners, Messrs. C. & J. Carruthers, are among Canada's oldest Shorthorn breeders, having for a great many years been engaged in the breeding of Shorthorn cattle and Berkshire and Yorkshire pigs. The Shorthorns are principally of the well-known Beauty family, on which have been used such bulls as the following: Bomanton Boy 23514, by Imp. Baron Lenton; Duke of Baltimore 15845, by Baron Baltimore; Indian Wave, by Imp. Indian Chief; and Royal Charlie 30118, by Prince of Wales. The present stock built is British Hope 30946, by Salisbury 27135; Dam Maid of Promise 8th, by Lord Stanley. He is a dark red, one of the modern kind, showing great width and depth, with an abundance of flesh, evenly distributed, and is a grand stock-getter, as the youngsters in the herd show. The females, both old and young, are the kind that are in demand. The three young bulls that are offered for sale are a short-legged, evenly-built lot, and will without doubt develop into big, choice animals. The Yorkshires are descended from that great stock boar, The Squire (Imp.), and are of the celebrated Hollywell strain, on which have been used boars from the well-known Featherston and Oak Lodge herds. The Berkshires are of Snell and Green breeding, better than which there is none. There are young stock of both breeds for sale, and parties dealing with the Messrs. Carruthers can rest assured that everything will be exactly as represented.

Page Woven Wire Fence

Owing to the variations of the Canadian climate, considerable allowance must be made in all fences for contraction and expansion, which makes an ordinary wire fence unserviceable, as when it expands it becomes so loose as to prove of little value. Note this makes it elastic and self-regulating. The Page Wire Fence is made of "Page" wire, which is twice as strong as ordinary wire. Prices are particularly low this season. 50,000 miles of Page fences now in use. We also make Gates, Ornamental Fences and Poultry Netting. The Page Wire Fence Co., Limited, Walkerville, Ont. 2
