THOMAS' ELECTRIC OIL!

WORTH TEN TIMES ITS WEIGHT IN GOLD. DO YOU KNOW ANYTHING OF IT? IF NOT, IT IS TIME YOU DID.

There are but few preparations of medicine which have withstood the impartial judgment of the people for any great length of time. One of these is THOMAS' ELECTRIC OIL, purely a preparation of six of the best Oils that are known, each one possessing virtues of its own. Scientific physicians know that medicines may be formed of several ingredients in certain fixed proportions of greater power, and producing effects which could never result from the use of any one of them, or in different combinations. Thus in the preparation of this Oil a chemical change takes place, forming a compound which could not by any possibility be made from any other combination or proportions of the same ingredients, or any other ingredients, and entirely different from anything ever before made, one which produces the most astonishing results, and having a wider range of application than any medicine ever before discovered. It contains no alcohol or any other volatile liquids, consequently loses nothing by evaporation. Wherever applied you get the benefit of every drop; whereas with other preparations nearly all the alcohol is lost in that way, and you get only the small quantity of Oils which may contain.

GATES ACADIAN LINIMENT.

Joyful News for the Afflicted. St. Croix Dec. 4th, 1876.

DE. GATES,—DEAR SIR,—This is to certify, that in the autumn of 1872 I had a severe attack of spinal disease, I applied to several physicians for medical assistance, but could obtain no permanent relief from any of them. For six months I suffered day and night, every thing but death. I was then advised by friends, to resort to your valuable medicine, I did so, and after taking seventeen bottles of it, I was as well as ever. I have had no symptoms of the disease since, and can now perform my work better than before I was sick. I am thankful to God that He made your medicines an instrument in His hands, of restoring my health.

Yours very respectfully, MRS. ISRAEL CHAMBERS.
