The ARMY & NAVY CLOTHING CO., Ltd.

CLERGYMEN and Delegates attending the Synod will find our assortment of Men's, Youths' and Boys' Ready-to-wear Clothing the largest and most complete in the city. On taking over this business from the late proprietorship the company made it one of their first aims to produce a superior quality of goods, in this line, to anything that had been heretofore offered. They have succeeded beyond their most sanguine expectations, and now are enabled to show you a QUALITY, STYLE and FINISH that the most expert judges can scarcely tell the difference between it and made to measure CLOTHING.

In addition to their immense stock of their own manufacture of Ready-to-wear Garments, they carry on probably the most extensive

ORDERED TAILORING

Trade that is done in the Dominion. Employing only the most experienced artists that money can procure in cutters, employing only workmen of known and tried reliability and skill, they are enabled to guarantee to their patrons perfect satisfaction in every particular.

The facilities possessed by the company are on such an extensive scale that a suit perfect in fit and finish can be produced on twenty-four hours' notice, and trousers on six hours' notice.

The company would respectfully solicit a visit and thorough inspection of their goods and prices, and feel satisfied that every one doing so will be well repaid for their time and trouble.
