A Church with Five Pews. The parish of Upper Eldon, Hants, is probably unique among the parishes of the United Kingdom. It boasts a population of ten. The village church stands in the centre of the farmyard of one of the two houses in the parish,

and the farmyard is also the cemetery. The building dates from the twelfth century, and contains a reading desk, Communion table and five pews, but does not boast of a pulpit. The living is of the annual value of £45, but there is not at present an incumbent. Occasionally a clergyman will visit the neighbourhood or pass through on a walking tour. The bell will then be rung, and the parishioners will attend an impromptu service.
