

KODAK

WHEN years intervene and the springboard takes the place of the sandy beach, turn the pages of your Kodak album. There she is—the curly headed nite who found a tin pail and spattered feet quite exciting enough. How old was she then? "Winnipeg Beach 6/18/21"—the autographic record that you wrote on the film at the time holds the answer. There is advantage in inspecting our complete stock—every Kodak made is ready for you to look at here.

UNION STOCK MARKETS TORONTO

A heavier run of cattle than has been shipped to the Union Stock Yards for a Monday in some time was received yesterday, but despite the size of the offering, trade was fairly brisk, and prices did not suffer as much as might have been expected. All classes of cattle, with possibly the exception of those bought for export, sold about 25 cents per cwt. lower. In spots, the heavy rough and common classes were off a little more. There was a good demand on the part of packers for choice lightweight butchers, and the export demand served to prevent a sharp decline.

The quality of the offering on the whole, was better than a week ago, and a good clean-up was effected. Some sales of choice steers were made at prices that were higher than last week levels, but values were generally lower. Some lots brought higher than \$8 per hundred. Several loads changed hands at from \$7 to \$7.50. Top cows brought good prices, a few selling up to \$7, although the bulk of the sales were a little easier. The hog market was decidedly ir-

regular with quotations higher. The packers bid \$12.25 f.o.b. and \$13 f.o.b. and watered. Outside packers were active, and by raising their bid were able to secure most of the hog. Some sales were noted on the f.o.b. basis at \$12.85.

An easier feeling was apparent in the veal market, and the trade was none too brisk. Top veals sold a round \$9.50, with an odd sale higher. Lamb tops brought \$11.50, which was easier than last week's close. Trade was fairly good here, but the supply heavy. Sheep had a slow sale.

A note warning re the coal situation in Canada is sounded in that consumers are holding off ordering coal thinking that there will be a reduction in price. This view is erroneous, as those that are in touch with the situation say that there can be no reduction before March 1922. There will be a great rush of orders in late fall and early winter and the demand will be greater than the supply, creating a shortage that could be avoided if the public would order their supply now, or most of it.

IN MEMORIAM

Bruder—In loving memory of Georgina C. Bruder, who departed this life July 29, 1920.

The fairest lillies are the first to fall,
The sweetest first to fade,
The fondest, dearest, best of all
Within the grave is laid.
One precious to our hearts has gone
The voice we loved is stilled,
The place made vacant in our home
Can never more be filled.

Father and Mother

I think of you in silence,
No eye may see me weep,
But deep within my heart concealed
Thy memory will I keep.
Peaceful be thy rest dear friend,
It is sweet to breathe thy name,
In life I loved thee very dear,
In death I do the same.

Francis J. Waechter.

Peacefully sleeping, resting at last,
The world's weary trials and troubles
are past;
In silence she suffered, in patience
she bore,
Till God called her home to suffer no
more.

Minnie and Charlie

One year has gone, our hearts still
sore,
As time goes on we miss her more;
She is as dear to us to-day
As in the hour she passed away.

Tillie and Bernolda

Precious sister you've been absent
From our midst one year to-day;
How we miss your loving presence,
Aching hearts alone can say.

Linus and Wilfred

We mourn the loss of one so dear,
Our hearts are sad to-day,
To think of one we loved so dear
Was so quickly called away.
