A sad accident occurred at Chignecto Mines yesterday afternoon, which resulted in the death of James Carsons, one of the miners employed in that colhery. Carsons was engaged in filling his box in one of the bords and shoved it out too far in the adjoining balance which descends at an angle of about forty-five degrees. To prevent the loaded box from shooting down the balance he seized one end of it and was pulling lown towards the level, severely injuring his head and sustaining other injuries on his body. He died this morning. The unfortunate man does not seem tochave any near relatives in Nova Scotia, and Mr. Mitchell, the manager of the mine, is endeavoring o get in touch with some of his immediate family, who reside in the United States. The victim of the fatality was about twenty-seven years of age and highly respected by his fellow workmen .- Amherst News.

The wise administration of our police W. H. Sampson, president; Rev. Gordepartment in this city under the di- don Dickle and Rev. Samuel Howard, rection of Chief Clark, has secured a vice-presidents, and Amon. A. Wilson, better condition of affairs here when we compare our city with other places. An attempt was made to open certain moving picture shows on Sunday, and such an exhibition was advertised by two of our theatres. Our worthy secretary, A. A. Wilson, K.C., called upon Mr. Read, Rev. H. D. Marr, H. G. the chief of police and directed his attention to the matter, and within an hour the matter was dealt with most The proposed exhibitions were forbidden, and the promoters later were convicted in the police court of advertising an unlawful entertainment. Judge Ritchie uttered no uncertain

sound in giving his judgment, and the fines were allowed to stand against journal, to express my thankfulness them. This settled a question here to all kind friends who have so which has been a very troublesome one particularly those who have written your officers have worked during-the kind words of sympathy, also those year. When anything was regarded as who sent flowers, and the members of wrong or suspicious the officers of the Trinity church choir, who attended the law were as proached, and in every case funeral service, and also all those they acted premptly and effectively The Allian e has been behind many o the efforts made to keep the Lord's Day free from undue encroachments Many complaints came to us from citizens because of the apparently unnecessary amount of shunting in the

Intercolonial Railway yards. The services at St. Stephen's Church and St Paul's Church were much disturbed uictness for these churches during the hours of service, but with only partial success. During a visit of our esteemed general secretary, Rev. T. Albert Moore, B.A., an interview with the officials was arranged. At this inferview A. 3. Schofield, together with presentatives of the New Brunswick Alliance, were present. We were received most cordially, and the whole situation was frankly discussed. Yard

room was limited, and it was nenessary to do more work on Sunday than the law really tive candidate, whose majority is now permits. The matter was also taken up by Mr. Moore with the Department of Railways and Canals at Ottawa. Improvements in the ward have since been made, and the amount of shuntminimum. We trust that during the that a Conservative scrutineer had ofcoming winter it will be possible for fered him \$2 for impersonating a Mr. Ross, the genial terminal agent, to voter who would be absent from the handle the increased traffic with the least possible Sunday shunting.

It now goes out after the evening services, Railways, left this afternoon for a the hour of departure being changed. The department has made the announcement that Sunday work on the whole Intercolonial system has been reduced to an absolute minimum. In this your officers rejoice, because it means that a large number of men are

in the enjoyment of their Sunday rest In our financial work we have followed the same policy for several years. We have sought to enlist the sympathies of the different congregations in the work, and in this we were only partially successful. Some of our contribution to our funds, although all and Mr. Brassard left for Halifax last young children survive, besides a this year, but hope to do so before the evening.

STORY OF WORK

Tried Hard to Save Rowena

FOG WAS DENSE

Crew Had a Narrow Escape From Death—Praise for Life Savers

The crew of the schooner Rowena, which was wrecked on Libby sland on Friday morning last, arrived in Saint John yesterday. Captain Seeley and his mate, Robert Seeley were seen at their home. Charlotte street. West End, last evening by a reporter of The Sun. Capt. Sceley's first words were: "I am glad to see you, for I want to thank the officers and men o the life-saving station on Libby Island through the columns of your paper for the great kindness shown us by them No shipwrecked heroes were ever treated better than we were."

Continuing, Capt, Seeley said: left St. John on Thursday morning last with a cargo of lumber, bound to Salem for orders. We had a nice sailing breeze all day and were making good time until after dark, when it came on to blow hard. As the night wore on the weather continued to get worse, and about 3 o'clock it began to rain. As the weather still kept grov ing worse and the fog was very thick, and in addition to all this the schooner was leaking badly, we decided to run for shelter. Machias being the neares
