Col. E. M. House of Texas is now in Europe interviewing the leading statesmen as the representative of President Wilson. Col. House has no official position in the American government, yet he is recognized as one of the most influential of Americans.

What he is doing in Europe one may Lake Erie & Northern Ry.

Time Table No. 1

Effective Feb. 7, 1916

South Polynomers

What he is doing in Europe one may only guess at, but it may be taken for granted that he is carrying out the policy of President Wilson. House was one of the men who made Wilson; he is the only man who remained after Wilson had been made. Col. Harvey has the credit of making the first mention of the president when he

any event, Flouse was the retained Wilson's confidence after the election, and retains it to-day.

His position in the American Government is remarkable. If it were a Democratic Government he would be freely and vociferously denounced He represents nobody. He is responsible to nobody. Yet he is admittedly a force in the affairs of the nation. He has gone to Europe, it is unofficially stated, to acquaint the American Ambassadors and Consuls with the real ideas of the Administration and to tell Foreign Ministers what is likely to happen in certain events. What he says will be, of course, "without provided and the control of the conveyance of the Administration and to tell Foreign Ministers what is likely to happen in certain events. What he says will be, of course, "without provided and the force of the Post Office Inspector. London.
