CANNING

The Methodist Church is receiving a nice coat of paint.

Mr. Hoggood of the Union Bank at Kentville, visited friends here on Saturday and Sunday.

Mrs. Hanlan who has been visiting her daughter, Mrs. Gätz, for the past three months, returns to her home in Queens County this week.

Miss Minnie Challen is assisting Captain Nicolson in his store and will remain during the Xmas season.

Sunday was a cold, disagreeable day. Dr. Chute, teacher of Hebrew and Bible history at Acadia, preached in the Baptist Church Sunday evening. Rev. W. N. Hutehins preached in Truro on that day. The choir in the Baptist Church is greatly strengthened by the addition of Mr. Layton, bass singer and Mr. Grant, who played the clarinet on Sunday evening. We feel grateful for their assistance.

Farmers are busy shipping potatoes at fifty cents per bushel.

Mr. Rufus Starr and wife, of Starrs Point, were guests at the home of Mr. E. M. Beckwith this week.

The election of councillors is occupying the attention of the people at present. There seems to be just as much excitement and wrangling over the municipal election as over the local election. The town was quieter in some respects last Saturday night, however, than on the previous one. There were not so many intoxicated but the causes of the disorders on other nights have not yet been removed and the leading citizens are still afraid to venture.

Mr. Louis Harris and family, who have been residing with Mr. and Mrs. H. O. Harris during the past few months, intend moving into their new home at Upper Canning this week.

Several people are complaining of their being so few houses to rent in Canning. It would be excellent if some of our enterprising men would build a few nice cottages here.

Next Monday evening the members of Epworth League are to give a Social at the home of their pastor, Rev. W. F. Gatez. There will be a short program of reading and music during the evening. All are cordially invited to attend the Social.

Miss Jennie McLatchy of Canard, is visiting friends in Halifax.

Business still continues to be brisk. We have heard rumors of one or two weddings which are to take place in the near future.

NOTHING LIKE GOOD REPUTATION

To have a good reputation in business goes a long way toward success. When the Family Herald and Weekly Star, of Montreal, with their reputation for doing things right, announce to the public that they are issuing portraits of the King and Queen to their subscribers, the public will be satisfied that their picture is the best obtainable, and will wait for it. The public will not be disappointed, either. The Family Herald's portraits of the King and Queen are each 18 x 24 inches, and are truly a beautiful pair. They are also a third picture of the Duchess of Devonshire, in the rich colors, 22 x 28 inches, which is regarded as a perfect gem. All three pictures are to be given free to all yearly subscribers.

Mr. J. Pierpont Morgan made the journey to Niagara Falls over the Michigan Central Railway, 227 miles in 200 minutes the other day. Between St. Thomas and Falls View station a speed of eighty miles an hour was occasionally reached. When a railroad direct or flows such perfect confidence in his road beds, the travelling public, which does not go at such head long speed may feel reasonably safe.

LOWER AYLESFORD

Nov. 7th.—The farmers are hustling to get their work done before Jack Frost takes possession.

A D Woodbury was married to Miss Eva Jackson of Clarence, on the 25th of October. They spent their honeymoon in Boston returning to their home on Nov. 6th. A grand reception was held in the evening. The small boy with his horn was in evidence.

Mr. Benj. Zwicker of Tremont, died Nov. 4th after a lingering illness from that dreaded disease, Consumption, which he bore with Christian fortitude. The funeral services were at his late residence and he was interred at South Farmington. He leaves a wife and two sons, Edward of U. S. and George of Tremont.

Mrs. John Welton of Tremont, died Nov. 3rd. The funeral services were conducted at the Bethel by Rev. Mr. Lewis of Upper Aylesford, on Nov. 4th. She was beloved by all who knew her on account of her genial and social disposition. She seemed to live in a sphere above reproach. A large number of sympathizing friends attended the funeral. She leaves a husband and a son and a daughter to mourn their loss.

We are sorry to report Mrs. S. S. Stevens of Rockville, is seriously ill and little hope is entertained of her recovery.

Miss Veria Bowley of Tremont, has gone to Boston hoping that a change of climate may improve her health.

Miss Aurelia Banks went to Boston on Oct. 26th to enter upon a course of training at the Boston City Hospital.

January 20th, 1873. This is to certify that my sister Julia, when at the point of death, with what was pronounced by the first physician to have the black smallpox incurable. In six hours after taking Doctor Loomer's Small Pox Cure the pains ceased, the swelling went down in the tongue and throat so she could speak; she had been blind for three days and speedily recovered. My two children were taken with the same disease one not being vaccinated, they took the remedy when it first showed the spots on the face, and were not sick afterwards. The spots dried in two days without leaving one mark. I was in the house all this time and took the remedy myself and did not take the disease. I believe it is a sure cure and preventative. I therefore recommend it to all.
