Missionary Meeting

A missionary meeting was held in the Church Parlors of the Congregational church by the young people last night and was very largely attended. Two interesting papers on missionary work were read by Mr. Sterne and Miss Cline, after which the mssionary movement was discussed by several members of the young people's society. During the evening Miss Winegarden and Miss Atlams delighted those present by giving a duet.

The B.Y.P.U.'s of Riverdale and henstone Memorial churches enloyed a trip to Paris on Monday night as guests of the Paris B.Y.P.U. The program, consisting of solos, quartets, duets and recitations, was given by the Brantford societies. A very ne luncheon was served, after which short addresses were given by the presidents and pastors of the different societies. A most pleasant evening was brought to a close just in time for the Brantfordites to catch the last car home.

Splendid Lecture.

Rev. Mr. Findley, Superintendent of the Toronto Industrial Schools, gave a splendid lecture in Brant Ave Church school room last night, his subject being 'Our Industrial School.' Mr. T. H. Preston, who is a member ot the Provincial Board of Parole, occupied the chair and introduced the speaker who spoke at length on the good work that has been accomplished by the school in reforming those who have strayed from the straight and narrow path.

New Workship.

The Turnbull and Cutcliffe Co., hardware merchants will in the near uture erect a new workshop on the vacant property on Queen St in the rear of Mr James Burns grocery store, opposite the Imperial Hotel. The building will be of brick, two storeys and a basement and will run back as far as the livery stable. It is understood that the contract for the erection of the building has been let and the contractors will push the erection of same with all haste. When the roomy building is completed the company, will instal the latest nsmithing machinery and will have ne of the most up to date plants in the province.

OFFERING LASTS ONLY SIX DAYS There's 30% Dividends

in Coal Oil

I have been asked to offer to investors for immediate subscription at par, \$10,000.00 worth of the Capital Stock of the

Comet Oil Company, Limited

The company is engaged in Merchandising Coal Oil, a commodity which pays a gross profit of fully 100 per cent for its distribution.

The business has been established about seven years, in which term a trade of over nine thousand steady customers has been built up. Without the advantage of this additional capital, the earnings of the business for the past year were

sufficient to pay 30 per cent. upon the entire capitalization of the company. Personally I feel satisfied that the business is an exceptionally good one, and that an investment in its shares will net a substantial revenue to those inter-

ested. The shares are being marketed at \$10.00 par, payable \$5.00 per share with order, and balance at allot-

Applications to have shares reserved may be made by letter or telegram, subject to prospectus, a copy of

which will be mailed to all interested. Subscription books will remain open for six days only, and shares will be alloted in the same order as the applications are received, and all over or late

subscriptions will be returned to subscribers. Address all correspondence to
