"Brockville's Greatest Store"

New TAPESTRY curtains and table covers

Many a home will need new tapestry curtains, or a new table cover this spring.

We've planned to supply these wants with real economy—these tapestries are good—much better than some we've seen—and no higher in price, either.

Fine, heavy textures with the pattern thrown well out on rich backgrounds.

If you're thinking of curtains or a table cover you should see this lot.

There's an immense range of colorings and patterns in fancy Bagdad or floral patterns.

Curtains at per pair, \$3.00, \$4.50, \$5.50, \$6.50, \$8.50, and \$11.00.

Table covers \$2.75, \$3.50, and \$4.50 each.

Tapestry by the yard for furniture covering, 50c to \$2.50 per yard.

A PRETTY ROUGH WORLD, LITTLE CHAP.

It's a pretty rough world you've struck, little chap.

Pretty rough world to get through, And your mother and I Other fish have to fry

Than running and waiting on you. Maybe you think it fun

To keep us on the run— It's a blessing to us you're not two,

For one of your stock Is enough in a block

To halloo and yell go-o-go!

It's a pretty rough world, you'll find, little chap.

A pretty hard world, you'll find, You'll need jog a pace

If you keep in life's race Or you'll be a back number behind.

You'll need to be tough And be made of good stuff.

Not o'er chicken-hearted inclined, So rest while you can

For there's none for a man, There's none for a man, little chap.

It's a pretty tough world you've struck, little chap.

A pretty tough world, I know, Can't blame you a bit

For showing your grit 'Cause things ain't a runnin' just so.

But you're starting to kick About things mighty quick

And a dishing how they should go. But don't get too gay

With your pert little say Or you'll run against snags, little chap.

It's a big, busy world, you'll find, little chap.

A big, busy world, and wide, With its right and its wrong

And its great careless throng That are drifting along with the tide.

So don't think you're boss, Nor get haughty and cross,

For there's many a downfall to pride, Better save all your tears

For the shipwreck years, For there's many a squall, little chap.

It's a pretty cold world you'll find, little chap.

It's pretty careless and cold— It don't care, my lad,

For you or your dad— If you haven't got genius or gold,

'Twill give you but jeers For your useless tears,

Better leave all your grievings untold. Be your own bosom friend

For it pays in the end, Yes, it pays in the end, little chap.

It's a long, long world and it's wide, little chap.

A long old world and it's wide, And the folks you'll find

They ain't any too kind, So with us you'd better abide.

The great worldly crew Will come calling for you

If you're worthy, for genius can't hide, So contentedly rest,

In your nice cradle nest, These are halcyon days, little chap.

CRAWF. C. SLACK.
Montreal, March 4th, '01.

TOLEDO

For the first time in the history of the church, two funeral services were conducted in the Methodist church on Saturday last.

La grippe seems to be quite prevalent in this neighborhood as well as elsewhere, there being very few who have escaped the disease.

Mr. E. J. Williams, proprietor of the Red Cross drug store, Brockville, was visiting friends here on Sunday last.

Mr. W. J. May of Kingston has for the past week been labouring in our village and vicinity with the object of starting a circulating library. We understand that his efforts have already been successful and that the books are now here.

We understand that the Rev. Mr. Frizzell, who has accepted a call to the Presbyterian church here and at Athens will arrive here this week to enter upon his duties.

It is with deep regret that we announce the death of Mr. David Parks, which occurred on the 27th ult. Mr. Parks had been ailing for some time and some weeks ago he took an attack of la grippe, which finally took him off. Mr. Parks was one of the pioneer settlers of this section of the country, having come here from Ireland when a young man and settled on a farm a short distance from our village. Here he toiled and prospered and for a number of years has been living a retired life in our town. In May of last year his wife died and since then he

has been carefully taken care of by his niece, Miss Sarah Parks, who came from Ireland for that purpose. The funeral service took place on Friday at 10 a. m. in the Presbyterian church and was conducted by the Rev. Mr. Daly of Linn.

It is with deep regret that we have to announce the death of another of our aged citizens. We refer to Mrs. Geo. Percival, who passed peacefully away on Thursday morning last. The deceased was in her 74th year and for some time had suffered with the asthma. She was twice married, her first husband being a Mr. Bell. She leaves to mourn her loss, three children, Mrs. Beecher and Mr. R. H. Percival of this place, and Mr. Wm. Bell of Smith's Falls. The funeral took place at 10 a. m. and was conducted by the Rev. Mr. Sproule. We extend our sympathy to the bereaved friends.

Once again it is our duty to announce the death of another of our aged citizens in the person of Mr. Geo. Carr, Sr., who departed this life on Thursday evening last. The cause of death we understand was heart disease from which he has suffered for a number of years. The deceased was in his 59th year and leaves behind him seven children, all of whom occupy good positions in life. The funeral services took place at 2 p. m. on Saturday last in the Methodist church and was conducted by the pastor, Rev. Mr. Sproule.

SHEATOWN

Mr. Jas. Cox has left for Alexandria Bay, where he has secured a good position. We wish him success.

Many of our townspeople attended the race at Charleston, and though it turned out contrary to the expectations of some, all are unanimous in the opinion that Tom's horse is a "Corker."

We hear that John Cox has disposed of his celebrated pacing mare, "Nancy Hanks" at a high figure.

We are pleased to learn that Mrs. Cobby has entirely recovered from her severe attack of la grippe.

After the clean shave which some of our sports received lately, they would advise all barbers to purchase the only genuine "Curtin razor," as an indispensable article in their line of business.

A prominent horseman of this section has not been heard from since the 26th. Any one possessing the keys to unlock this mystery will please leave them at the City Park.

Don't use the whip Jimmie, my boy, and you won't upset the cutter.

According to some of our old weather prophets, the blustery entry of March presages an early spring.

We think that the pathmaster of Sheatown might keep our roads in better shape. One young man claims that while returning from seeing his best girl, his horse suddenly stopped. Getting out of the cutter to ascertain what was the difficulty, he found his horse eating hay. On examination, it was found to be a load which was stuck in a pitchhole, and could not be seen until the young man had driven his horse on top of it.

Our dogs are still promenading the streets in spite of the very severe lesson they received some weeks ago.

Mr. John Shea shot a very large bear, a few days ago, at the Onion bed, near Charleston lake. He intends having the skin made into an entire fur suit.

The many friends of Mr. T. Curtin are anxiously awaiting the oyster supper promised by Mr. Ed. Keyes.

Miss Johanna Shea has spent the last two weeks in Brockville.

Mr. J. Cox, Jr., has gone to spend the summer at Alexandria Bay. Jimmie is one of our most popular young men and will be greatly missed.

Mr. J. Giffin spent a couple of days in our town last week, the guest of Mr. J. Cox, Sr.

Everything is quiet in Sheatown again.

Mr. Jas. Keyes is suffering from a sore foot.

Miss Mary A. Bradley has been spending the last few weeks with Mrs. Ed. Keyes.

Master Tommie Hudson took tea with Herman Shea on the evening of Friday last, and they played marbles till a late hour.

The Record says Mr. G. T. Martin, architect of Smith's Falls, has made a valuable bicycle invention. It is a wheel with a variable gear. By means of a little lever, operated near the handle bar, the gear can be cut in two, that is it can be changed from 84 to 42, to make it easy to go up a hill or ride against a head wind.

BROCKVILLE

CUTTING SCHOOL

IN ORDER to meet the demand for first class cutters, which is steadily increasing, I have opened up in connection with my tailoring establishment a Cutting School, to be known as the Brockville Cutting School, where the latest up-to-date systems of cutting will be taught, also instructions on the practical work of the tailor shop, which is most essential for a young man to become a first class cutter, and which will enable him to command a salary of from One Thousand Dollars to Fifteen Hundred Dollars per year in this country and from Fifteen Hundred Dollars to Two Thousand Five Hundred Dollars per year in the United States. This is a rare chance for young men to fit themselves for a lucrative position in a short time. Persons attending this school will receive a thorough training in everything connected with Garment Cutting, and after graduating are competent of filling a position as custom cutter at once.

Pupils will be taught individually and may commence their instructions at any time convenient to themselves.

For all information, see catalogue, which will be mailed to you upon application.

Yours truly,

M. J. KEHOE,

Brockville, Ont.

PHIL. WILTSE.

GREENBUSH

Mostly all our neighbors that were suffering with la grippe are slowly recovering.

We are sorry to hear that Miss Gertrude Olds is suffering from a relapse in her complaint and is in a very precarious condition.

Mr. John Blanchard, while leading a colt one day lately, had the misfortune to get a severe kick in the face which has caused a great deal of suffering, but we are glad he is now improving.

Our school teacher has been called to the home of her mother, who is prostrated by inflammation of the lungs.

Mr. John Sherritt, M. P. for Middlesex, is visiting friends in Greenbush, but will return to-day to the capital to attend the session of parliament.

Scrofula the Cause.

Eczema, catarrh, hip disease, and even consumption have their origin in scrofulous conditions. With the slightest taint of scrofula in the blood, there is no safety. The remedy for this disease in all its forms is Hood's Sarsaparilla, which goes to the root of the trouble and expels all impurities and disease germs from the blood.

The best family cathartic is Hood's Pills.
