LOCAL AND PERSONAL ITEMS

The members of Centre Lodge 1, O.
O. F. have an invitation from the
brothers of Central Lodge, Bridgewater,
to participate with them in mem-
orial day exercises on Sunday after-
noon, June 12, at 1 o'clock. All mem-
bers of the order will please take no-
tice, and govern themselves accord-
ingly.

A large camp owned by a local
sporting club was accidentally burned
last week by a visiting party. For-
tunately the latter group were a bunch
of the most candid and honest sport-
ing imaginable, who at once severally
acknowledged the accident and agreed
to replace the camp in duplicate.

Messrs L. T. Lee, C. H. Sullivan
and C. R. Clark spent the holiday on
the Miramichi building a neat and
commodious camp on St. Bar, the
central spot in the fishermen's para-
dise.

The engagement is announced of
Miss Pauline Balloch and Willard Carr
of Woodstock. The marriage is to take
place in the near future.

L. B. Clark and D. W. Currier, lo-
cal census enumerators, are working
busily at their task in their different
wards.

S. T. Gallagher left last week for
Cornland, N. Y., where he will spend
the summer months with Mr. and Mrs.
J. H. Johnston.

Dr. and Mrs. Geo. J. Burri and fam-
ily spent the week-end with Mr. and
Mrs. S. W. Burri.

W. G. Bishop and Amos Downey
left on Monday for Waterville, Me., by
auto, where they will spend the week-
end.

John Alger of St. Stephen, a vet-
eran commercial man, was calling on
the trade here Monday.

Mr. and Mrs. Francis Appleby of
Hartland visited Mr. and Mrs. H. M.
Hagerman on Sunday.

Mr. and Mrs. Albert Fields of Wood-
stock spent Sunday with Mr. and Mrs.
A. J. Lee.

Mrs. Irvine of Mars Hill spent Sun-
day with her daughter, Mrs. A. R. Mc-
Lean.

Mr. and Mrs. D. F. Clark of Mars
Hill spent the week-end with Mr. and
Mrs. C. R. Clark.

G. C. Richardson of Woodstock
spent Sunday the guest of Mr. and
Mrs. S. N. Burri.

A new barber shop is in course of
construction on Main street, opposite
the Post Office.

Mr. and Mrs. Robert Wilson of
Bloomfield spent Saturday with their
son, G. E. Wilson.

Miss Mary M. Gallagher of the Nor-
mal school spent Sunday at her home
here.

Miss Mollie K. Cody is spending the
week in St. John with friends.

William Kennedy of Woodstock
spent Tuesday here working insurance.

Dr. F. M. Brown moved into his new-
ly acquired property last week.

Mrs. S. W. Burri is spending the
week with relatives in Fort Fairfield.

WOODSTOCK RACE TRACK

(Intended for last week.)

The weather has been very favor-
able for the trainers at the track and
the horses are rounding to in great
shape. Fast going and quarters are
common at the end of working miles.
Jimmie Bontiller has the record so far
with Emotionless, having stopped a
mile in 2:51. William Brickley has
his work cut out for him with the
Hartland string. They are all
moving finely and taking their work
well.

J. W. Hall's trotter and pacer are
also working nicely for Clarence Sum-
ner and look as if they would be
heard from before fall.

Harvest Queen, a 4 year old mare
owned by A. J. Saunders, Hamilton, is a
handsome mare and when she is hard
at it shows a wonderful burst of speed.
The most attractive stall in the
whole layout is that occupied by Oro
Fino. His caretaker, Bert Lettner,
has his stall decorated in great style
even curtains on the doors. That the
horse appreciates it is shown in the
fact that he touches nothing. Every-
body will be interested in knowing

THE REWARD OF CARELESSNESS

Many fine homes have been lost by
lightning, merely because rodding was
one of the things their owners were
going to do "some day." Loss of your
home may be the reward of similar
carelessness.

The Dodd System of Lightning Pro-
tection makes loss by lightning IM-
POSSIBLE and GUARANTEED in
writing.

THE COST? Nothing compared
with the possible saving.

Call, write or telephone me about it
at once and I will arrange to fix you up
with the old and reliable Dodd &
Struthers System.

Terms to suit you.
L. BURTON CLARK
Centreville, N. B.

that their horse is training in great
shape and is likely to be a better
horse than he was last year.

The races May 24 were well at-
tended and were interesting with the
exception of the 2:20 trot and pace.
The drivers in this race seemed to be
afraid to breach up their horses and
the result was disappointing to the
spectators. Colliers' Swift seemed to
have the speed of the party and put
up the fastest mile 2:35.4.

The 2:30 pace was the best race of
the lot. Joe Gans in the first heat
took the lead at the wire and was
never in any danger of being headed.

The 2nd heat was a repetition of the
first. The 3rd heat Bob Hamilton
made a great drive in the home stretch
with Sis Peters and beat out Lady
Ashbrooke. Queenie Patchen acted
badly and sorely tested the patience
of her owner and driver, J. H. DeWitt.
The summary follows:

2:20 PACE	
Lady Ashbrooke, Joe Gans	1 1 2
Merry Wise, Allen Poole	2 3 4
Sis Peters, A. M. DeWitt	3 2 1
Queenie Patchen, J. H. DeWitt	4 4 3
Time 2:23.4, 2:27, 2:26.	

2:25 TROT AND PACE	
Togo M. J. W. Gallagher	2 3
Leon McKinney	1 2
Countess Petrona	3 2

2:15 PACE	
Amy Lu, E. M. Tefft	2 2
Colleen Swift, J. W. Gallagher	1 1
Lucky Strike, Bob Hamilton	3 2
Time 2:25, 2:25.4.	

The next meet will be June 22 when
contests will be the prizes and all the
drivers will be after them.

Fred (Black) Cameron, trainer for
G. W. Reed & Son, Fort Fairfield, vic-
tored our track Sunday. He has 9 in
his care and reports them all working
good. The old reliable, Fern Hal, win-
tered well and will be ready to start
probably July 1 at Fredericton.

John B. Braden has arrived at
Presque Isle, say, won't there be
some betting the first time their horses
and Calgary start meet? The pro-
spect now is that Woodstock July 12
and 13 will be their first encounter
and perhaps Oro Fino will try con-
clusion with them at that time. Just
as unlikely things have happened as
for Oro Fino to win out. Be careful
how you bet.

Important!

Farmers buy a WATSON TRIPLEX
SPRAYER to protect your potato crop.
This sprayer will do it.

I also call your attention to the
JOHN DEERE RIDING CULTIVATOR.
This cultivator was especially designed
for the Aroostook County trade, as it
works better than any other machine
when the plants get big.

If you want anything in our line
